Attractive Tea Compliments Miss Bragg

Betrothals are the very essence of romance and being such they are prone to shed a bit of such romance where ever they go. Such was the case with the delightful formal tea for which Mrs. George A. White was hostess Wednesday between 3:30 and 5:30 o'clock complimenting Miss Edith Bragg who has only recently announced her betrothal to Wallace Carson.

White was the color motif chosen by Mrs. White for the tea table and for many of the flowers about the guest rooms. The tea table was centered with a silver bowl of which were arranged lilies-of-the-valley on either side of which stood silver candle sticks holding lighted slender white tapers. The suggestion of "June brides" was perfect. Other flowers used about the guest rooms were spirea, and iris.

Little Miss Sybil Spears and Sally McClellan assisted by Miss Virginia Holt received the cards at the door. In line with Mrs. White and Miss Bragg, was Mrs. E. E. Bragg, mother of the honor guest.

Mrs. Henry Cornoyer, Mrs. C. H. Roberts, and Mrs. Dan McClellan of Bend, sisters of Miss Bragg, assisted in the living room.

Mrs. John Carson, Sr., Mrs. John Rand, and Mrs. Isaac Lee Patterson poured and were assisted about the dining room by Mrs. Frank Deckebach, Jr., Miss Leah Ross, Miss Henrietta White and Miss Dorothy White.

There were 150 invitations issued for this affair.

Writer's League Guest Of Mrs. W. Fargo

Mr. and Mrs. William Fargo were host to the Writer's section of the Salem Drama league at their home Tuesday evening. Mrs. Fargo had artistically arranged bowls of white and purple iris and scarlet peonies about the living room, and in the dining room were bowls of the first spring Jackman roses.

As is customary for this club which is only a study and discussion club with no thought for teaching the technique of writing, many original works were presented and several enthusiastic discussions were entered into ranging from discussion of "Death Comes to the Archbishop" by Willa Cather to a real argument as to the constitutionality of constitutional amendments. The latter was precipitated by the reading of an Oregonian editorial.

Mrs. Blanche Jones and Mrs. Clifton Mudd assisted Mrs. Endicott in serving at a late hour.

Club members present were Mrs. J. C. Nelson, Mrs. John Reed, Mr. and Mrs. F. G. Franklin, Perry Riegleman, Miss Edna Garfield, Mrs. F. H. Van Trump, Dr. Mary Rowland, Mr. and Mrs. J. M. Clifford, Mrs. Blanche Jones, and Mrs. William Fargo.

Aside from the 20 to which the club membership is limited and the 20 associate members of the club, the officers of the art league are honorary members. Of these officers Otto Paulus, Mrs. Clifton Mudd, and S. H. Van Trump were present for the Tuesday night meeting.

Mrs. J. M. Clifford was elected director for next year to succeed Miss Wrenn and Mrs. W. F. Fargo.

WOMEN SHOULD LEARN USES OF MAGNESIA

To women who suffer from nausea, or so-called "morning sickness," this simple measure is proving a blessing. Most nurses know it and it is advised by leading specialists.

Prepare a small quantity of finely cracked ice—about a wineglassful. Pour over it a teaspoonful of Phillips Milk of Magnesia. Sip slowly until the mixture is gone or you are entirely relieved. It is seldom necessary to repeat the dose to end sick stomach or any inclination to vomit.

Its anti-acid properties enable Phillips Milk of Magnesia to give immediate relief in heartburn, sour stomach, gas. Its mild, but effective laxative, action assures regular bowel movement. Used as a mouthwash it helps prevent acid erosion and tooth decay during expectancy.

With every bottle of Phillips Milk of Magnesia, come full directions for its many uses. All drug stores have the 25c and 50c sizes. Demand the genuine, endorsed by doctors for over 50 years.

"Milk of Magnesia," has been the U. S. Registered Trade Mark of the Chas. H. Phillips Chemical Co. and its predecessor, Chas. H. Phillips, since 1875.—adv.

THE DANGERS OF DIET FADS

Serious Loss in the Tissues May Result

Leading medical authorities are emphatic in stating that overemphasis on slimness frequently results in permanent injury to the tissues. This is especially true with women and young girls.

"What is a normal weight for one person is an abnormal weight for another," one famous authority stated recently. "The proper weight for anyone is that at which he or she is most capable and productive."

The reduction of fat in the tissues, brought about by foolish dieting, increases the danger of numerous diseases. It lowers the vitality and general well-being of the individual to a point which may be lastingly harmful.

One mistaken idea about dieting, which is being rapidly corrected, is that sugar is largely to blame for overweight. Intelligent use of sugar as a flavoring for making almost all other foods more enjoyable is one of the most necessary steps in arranging a healthful balanced diet.

Serve healthful fruits and vegetables with the addition of flavorgiving sugar. Use sugar with cereals, milk desserts, and as a seasoner with most vegetables. Most foods are more delicious and nourishing with sugar. The Sugar In stitute.
