New Laws Go Into Effect At Midnight Monday; 427 **Statutes Placed on Books**

Probably the most important clerks and shall be made available law approved by the last legisla- to the officers. ture was that creating the state Law Hits Cops board of higher education to have Who Sell Rum control of the University of Orestate normal school. This law deferred operation of the board until July 1. Board Members Are

Appointed At Once might be appointed by the gover- Eddy of Douglas county. nor and confirmed by the senate prior to adjournment of the legislature. The board is composed of termine the constitutionality of this act.

Important among the laws midnight Monday, but have been until January 1, 1930. Tax Commission Work

Is To Be Segregated The law creating the state tax commission of three members also segregates the work of the department. One commissioner will have charge of all utility assessments while another commissioner local assessments. The third commissioner will act as secretary and collect tax revenue. Members of the commission are Earle Fisher. Salem; C. V. Galloway, Portland, and John Carkin, Medford, Fisher and Galloway will receive an annual salary of \$4.800, while Carkin will receive \$4,000. Carkin's salary was fixed at \$4,000 because of threatened legal compli-

cations. Another important law makes a felony for second conviction for operating a motor vehicle on the state highways while under

Legislation enacted by the 1929, the influence of liquor. The penlegislature will go into effect at alty is a term of from two to midnight Monday, except such four years in the state peniten- gon. laws as had the emergency clause tiary. A companion law makes it affixed to them and went into incumbent on all druggists to keep effect immediately upon approval a complete record of al! sales of by the governor. A total of 427 bitters, wines and tonics containlaws were passed by the legisla- ing alcohol. These records must be filed monthly with the county

The last legislature also ap-Oregon, State college and the three proved a law providing that any officer who shall seil or give away carried the emergency clause, but confiscated liquor shall serve a term of from one to five years in the state penitentiary. Another law provides for monthly reports in connection with the handling It was necessary to affix the of prohibition funds. The four emergency clause to this law so laws tightening up the prohibition that the members of the board laws were fathered by Senator

Laws of special interest to the voters of Portland provide for the creation of two additional circuit nine members, with terms ranging judgeships and one additional disfrom one to nine years. Suit is trict judgeship in Multnomah now pending in the courts to de- county. The law authorizing the additional circuit judges has been held up by referendum. Companion laws provide for increased fees

A woodshed or other building held up by referendum. The tax as originally introduced, provided that a taxpayer at a bond election should own property valued at \$500, but this part of the law was eliminated in committee.

The so-called "gasoline cowboy" bill also becomes effective. This law provides for a complete check on all animals offered for slaughter and was passed for the purpose of reducing or eliminating cattle rustling in Eastern and Central Oregon, A companion law authorized state traffic officers to make arrests for thefts of livetock. Both of these laws received he support of the Eastern Oregon delegations in the legislature.

ing industry appropriates \$50,000 for a mining survey to be conducted by the federal government. Half of the appropriation is to be expended in eastern Oregon and the remaining half in western Oregon. Other outstanding appropriation laws authorised \$50,000 for

\$50,000 Appropriated

the construction of an infirmary at the University of Oregon, and \$100,000 for the construction of a combination grandstand and exhibit building at the state fair grounds. The former appropriation is contingent upon a similar amount of money being raised by friends of the university. The state fair appropriation must be repaid out of receipts of the fairs.

Another important law passed by the 1929 legislature, but which does not become effective until next year, provides for the payment of motor vehicle fees on July 1, instead of January 1, as under present act. Companion laws authorize reductions in registration fees on passenger cars, and increase the fees on trucks and busses.

A new banking code also becomes effective at midnight Monrevolving funds for several state ing statutes relating to the sale

ENJOYED AT ZEN

ZENA, May 29-The Zena school enjoyed a picnic Friday, May 24, the closing day. The teachers, Miss Lillian Reynolds and Miss Louise Seefeld and the pupils went to Scotts' grove for the picnic, but the inclement weather made it necessary for them to seek shelter in a nearby house where they enjoyed their dinnr and afterward played games. A number of parents were present Friday.

Claiming that a business transreceived was not as represented, states. Everett A. Devinney and Josie Devinney have filed suit in circuit court for damages of \$1000 against the real estate firm of

Caskille and Earle. The plaintiffs allege that they exchanged their equity in a home here for a "residence" lot in Spokane. The lot turned out to be nothing but a sandhill located five miles from the city without access to street car or to city water or lights, the complaint states.

Loving Cup Given Miss White For Athletic Record

Miss Jean White, senior at Willamette university was awarded a silver loving cup by the Woman's Athletic association of the university. This cup is presented anday. Other important laws provide nually to the woman elected the best all-round woman athlete of institutions, tighten up the exist- the year. Miss White was a member of the senior women's basketof stocks and securities in Ore-ball team, and has participated in other wemen's interclass competition. She was president of the athletic organization this year. Honorable mention was given to Louise Liere, who has also taken active part in women's athletics. Last summer Miss Liere was director of the city playground at

the Lincoln school.
