## MONTANA HOOP TEAM SLIGHTED

### Complete Track Schedule in Northern Division Is Now Compiled

By FRANK G. GORRIE  
Associated Press Sports Writer  
SPOKANE, June 12.—(AP)—Meeting here today in advance of the Pacific coast conference managers' association session, northern division graduate managers adopted a 1930 track schedule and discussed a motion to drop the University of Montana from the basketball program.

Several members argued that the withdrawal of Montana would give the other five schools in the northern division a chance to play more basketball games with less traveling. A decision on the matter was expected to be reached at a meeting tonight. Montana was expected to compete in other Pacific coast conference sports, however.

The conference will formally open tomorrow morning with graduate managers from all ten schools in the organization attending. Conference policies, standardization of baseball and basketball rules and regulations are to be decided. The conference will continue through Saturday. Commissioner Plan Will Be Discussed.

A plan of appointing a commissioner to supervise all conference sports activities was scheduled to come before the meeting tomorrow or Friday. A committee headed by W. W. Monahan, graduate manager of California, was to make a report to the association concerning the idea. Several members, however, did not expect that final action would be taken at this time on the matter.

Graduate managers attending today's sessions were President Carl Lodell of Oregon State college; Earl Campbell of Washington; Jack Benefield of Oregon; Early Y. Foster of Washington State; George Norton of Idaho; and Jim Stewart of Montana.

Southern Trio To Arrive Shortly  
The southern division officials expected tonight and tomorrow morning were Alfred Masters of Stanford; Owen Wilson of southern California; Stephen Cunningham of the University of California at Los Angeles; and Monahan of California.

## Curt Comments

By CURTIS

D'you know Bob Quinn? He just dropped in wearing a wide and healthy grin.

He's got the call to coach next fall at a school that's got no grades at all.

Yes, this Quinn is the same one who has played ball with the Salem Senators at various times in the past, including a number of games last season, when he was parked in center field. He's fast, both in the field and on the path.

Quinn has been coaching successfully at Pendleton high—so successfully that when the faculty for the new Eastern Oregon normal school was selected, he got the bid for athletic director.

Just think of it—coaching at a school that has no alumni! And no former coach to compare him with. Lots of coaches with national reputations would jump at a chance like that. Of course he'll have no letterman the first year, and will have to start building from the ground. But the eastern Oregon high schools turn out some real athletes, many of whom never go any higher because there's no college close at hand. The normal at La Grande will have a big territory to draw from, and it will be heard from in athletics before long.

Boston, Brooklyn and Portland. Probably at Boston and Brooklyn the meaning is as long and loud as at Portland. If not, it's because the broad a's and the commutators are used to the idea of their clubs being in the cellar. Why fret? There are 26 leagues in organized ball, and somebody's at the bottom in each one.

## PAPERMAKERS WIN OVER CASEY TEAM

Aided by two errors which virtually gave them the winning runs, the Papermakers scored their first victory over the Knights of Columbus baseball team in the Commercial league Wednesday night, 6 to 4.

An overthrown in the third inning permitted Heath and Verling to score. Papermakers scored a double in right field was equally costly to the Casey's. In this inning the Papermakers scored three runs. They had put over one run in the first inning.

The Knights scored three runs in the first inning and one in the fourth.

## PRISON ATTENDANCE REACHES HIGH MARK

"Attendance" at the state prison reached a high point here Wednesday when the "enrollment" went to 750 with the commencement of sentence by two men who were brought to the penitentiary early in the morning. This number is the largest ever incarcerated at the Oregon penitentiary and exceeds by 150 the number of men which can be conveniently taken care of at the prison.

Construction work is going on steadily on the new garage building, the second floor of which will provide a room for trusty prisoners and thus relieve the congestion in the main cell blocks.

## School Year At Willamette Ends

With the completion Wednesday afternoon of semester examinations, the school year at Willamette university was officially closed. All that remains is the recording of some 3000 individual grades and mailing them to students. The summer session will open next Monday with courses offered in eight departments including English, foreign languages, natural science and social science.

WOODBURN GOLFERS WIN  
WOODBURN, June 12.—The Woodburn golf team defeated the Oregon City team by 3 1/2 to 2 1/2 on the Oregon City course Sunday.

The Oregon City first team was playing at Salem but they put up their twenty-man second team against the Woodburn players. There were no sensations in the games, both teams holding their own to make the close score.

## Shift in Senator Lineup Is Likely for Next Game

The Senator lineup will be shifted around slightly again next Sunday when Mt. Scott comes here for the next to the last game in the first half Oregon-Washington league season. Manager "Prisco" Edwards announced Wednesday.

Hafenfeldt, who signed up last week but was unable to accompany the team to Kelso, will be on the job and probably will play third base. "Hoot" Gibson, who made a good showing at shortstop last Sunday, may appear there again, but there is also a possibility that Hubert Ashby, Salem high graduate who has been a member of the O. S. C. Rooks team this season, may fill this berth. Pilette will be back on the job the following Sunday.

Bob Quinn, who played center field a large share of last season, blew in from Pendleton Wednesday and "Prisco" signed him up. It's not certain whether Quinn

will be in the lineup Sunday or not. Mt. Scott, a fast aggregation of youngsters aided by good pitching, has threatened the leaders all season, but has been laboring under a "jinx" similar to that which has pursued the Senators. The Tigers' tough luck isn't of the "one run" variety; instead, it's an eighth inning jinx.

Manager Edwards received word Wednesday that the House of David ball team will be through Salem again this year, and also a colored House of David team from Cuba. The exact dates of their appearance here cannot be announced. The dusky tossers are following the same route as the blonde whiskered boys, coming about three weeks later. They are touring Canada at present. Last year the Davidites won from the Senators, but the locals won the year before.

## PROMETHEUS NOW SHOWS REAL SPEED

NEW YORK, June 12.—(AP)—Turf "experts," who have been ready to hand the juvenile championship to Harry Payne Whitney's Boojum on a platter may have to alter their decision if Prometheus, another bearer of the light blue colors, continues to perform in the fashion he exhibited at Aqueduct today.

Pitted against 13 classy two year olds in a five furlong sprint this son of Broomstick showed his heels to the field in a manner that showed his victory in the juvenile at Belmont park was no fluke. Including in his list of victims was the Rancocas stable's pride, Gratton, and the speeding son of High Time from the Fair stable, Saracen II. Gratton finished second and Saracen II third in the race, which Prometheus won in 1:00 3/5. Sonny Workman was in the saddle.

JACUMBA, Cal., June 12.—(AP)Johnny Salo, the flying cop of Pasatic, N. J., reduced Pete Gavuzzi's lead in the trans-continental derby to 19 minutes and 56 seconds by winning today's lap, 58 miles of gruelling uphill running, from the bearded Italian.

The Pasatic policeman who until yesterday had been silling with stomach trouble sliced 35 minutes and 50 seconds from Gavuzzi's elapsed time lead in the stretch between Caliedo and partly over mountainous grades. His time for the 58 miles was 9 hours, 9 minutes and 5 seconds.

Guido Umek, of Italy, was second in the day's lap, turning in a time of 9 hours, 22 minutes and 50 seconds at the control state here. Gavuzzi pulled in third, in 9:44:55.

## 3 AMERICANS WIN MATCHES

### But 32 Survivors Remain in British Amateur Golf Tournament

SANDWICH, Eng., June 12.—(AP)—The wheel of fortune in the British amateur golf championship which with its week of 18 hole matches is the biggest lottery in major golf, turned through the third round of play today. The round brought disastrous results for some famous British golfers, but John Dawson, Bobby Baugh and Joshua Crane remained to represent America.

Dawson made an impressive start, beating John D. MacCormack, two and one, and Guy Campbell, one up. He played several bad holes but on the whole the Chicago player did very well indeed.

Among the other survivors in the now reduced field of 32, Cyril Tolley, Phil Perkins and Dr. William Tweddell are the best. Some of the experts think the draw seems shaping toward a 36-hole final Saturday between Tolley in the upper half and either Perkins or Dawson in the lower.

Defeats of Roger Wethered, T. A. Torrance, Douglas Grant and J. A. Stout were sensations today. Perkins had a narrow escape. He was one down to C. Shankland with four to go. The champion won the 18th hole to square the match and went on to victory at the 22nd.
