A LTOONA, Pa., June 15.—(AP)—Ray Keech, who flashed suddenly from comparative obscurity as a dirt track racing driver to fame as holder of the American automobile speed record, met death on the Altoona speedway at Tipton today as he gained his last racing triumph.

Driving a brilliant race as he led the field through three quarters of the 200 mile flag day event, the Philadelphia speed king, winner of the Indianapolis grind this year, was killed instantly in a four cornered smash up on the east turn of the mile and a quarter
