Quotations Show Strength Again After Disastrous Recent Setbacks

NEW YORK, June 20 .- (AP) Strong rallying tendencies developed in today's stock market on indications of a gradual easing of basic credit conditions, but late profit taking cut down some of the early gains. Traders received somewhat of a shock after the close of the market when the weekly federal reserve brokers' loan statement disclosed an increase of \$136,000,000, bringing the total of \$5,420,000,000. Wall Street had expected little change in loans. The large gain being attributed to the expiration of stock "rights" this week.

Electric equipment shares also extended their recent gains. Allis Chalmers jumped 11 1/2 points to a new high at 228, and closed at the top. Westinghouse Electric climbed to a new high at 174 3-8 and ease to 178 7-8, up 5 points net. General Electric closed a point higher at 303 after having fluctuated between 299 and 305

WASHINGTON, June 20 .-(AP)-Officials of the Alabama Power company denied before the federal trade commission today that the company had helped finance the Mobile, Ala., Press, but W. Logan Martin, the company's general counsel, testified he made a personal loan of \$50,000 which was used in establishment of the

newspaper. The \$50,000 loan of Logan Mar. tin was disclosed in today's testimony by Abner Aldridge, Bir-
