KINNE'S ABDUCTORS SENTENCED TO JAIL

LEWISTON, Idaho, June 20. (AP)—Three men who pleaded guilty to abducting Lieutenant Governor W. B. Kinne today were sentenced to terms ranging from 10 to 25 years, and the fourth member of the gang, the "baby" was sentenced to serve one to 25 years.

District Judge Miles Johnson arranged the sentences so that the five members of the band, who confessed their part in the robbery and abduction of Kinne and two other men, would not have a chance to "get together" again for a long time.

The sentences imposed follows: Albert Reynolds, 20, Metaline Falls, Wash., 12 1/2 to 25 years.

Frank Lane, 21, Red Mound, Wis., 11 1/2 to 25 years.

Engel Snoyland, 21, Tolna, N. D., 10 to 25 years.

Robert Livingston, 18, Alabama, one to 25 years.

The fifth prisoner, George Norman, 37, Seattle, who was said by members of the band to have been their leader, although not involved directly in the kidnaping, was sentenced to serve one to two years as an accessory after the fact.

The girl testified that Captain had threatened her with the rifle and demanded that she say the shooting was accidental.

LEMONS PRICE GOING UPWARD

Warm Weather Foreseen as Quotations Reach \$8 in Local Markets

Boost in the price of lemons to \$8 foretells warm weather; either that or the jobbers are in a hurry. But warm weather and dear lemons are known to go hand in hand. First cherries, ox hearts, were offered yesterday at 15 cents a pound.

Raspberries, grown right here, were a little more plentiful this week but demand was not high. Price continues at 15 cents a box. The berries are not at their best yet.

Strawberries are continuing plentiful, with extra nice berries selling at three boxes for 25 cents and others at as low as five cents a box.

Local peas made their first appearance this week and are cheaper at four pounds for 25 cents.

Green beans are coming in from The Dalles and are somewhat better than those offered last week from California. Wax beans, the first of the year, are also on the market now.

*Lake Labish celery is still high at 15 cents a bunch, but is far from a good quality as yet. Weather conditions have not been right for proper bleaching.

Lettuce from the Labish center is coming in strong and is the best and largest heads that have been offered here in many a moon. The retail price is surprisingly cheap, at five cents a head.

Spinach is just so-so, at four pounds for 25 cents.

Watermelons are making their appearance in the store windows, but sales are none too numerous, at six cents a pound. With more warm days this market will pick up materially. Cantaloupes meet some demand, but nothing to brag of, at 15 cents and 10 cents each. Most of them get pretty seedy before buyers appear.

Asparagus growers are bringing in only 10 or 12 dozen bunches at a cutting now, where they formerly brought in as high as 45 dozen bunches. With the near-end of the season, the price continues up, at 15 cents a bunch in the store.

Wholesalers are making their quotations on mushrooms, with pound cartons available at 85 cents each.

California tomatoes are said to be just about as good as the local hot house offerings, but to tell the truth they look far from as good. The southern imports sell at 15 cents a pound, and the local hot house beauties at 35 cents.

New potatoes are selling four pounds for 25 cents. First spring squash, a baby size from California, is offered in small quantity.

Oregon Librarian Asked to Help in Debate at Chicago

Just to show that the Oregon State Library is on the map in many places other than Oregon the following letter is printed. Incidentally from the misinformation shown by the writer, the word "restriction" is started as to whether or not a course in geography might not be used to advantage in Chicago schools. The letter is dated June 12 and June 17 was the day set for the debate.

Dear Sir:
I am a pupil in 8 A, and we are having a debate. The topic which we are taking is "Restriction of Emigration." I would like to have both sides of it because I want to pick out the best one. If you cannot send any information will you please tell me in which book I can find it. If it is possible I would like to have it by Monday morning for that is when we will debate.

Yours truly,
Lillian Zagec.

coming addresses delivered by Premier S. F. Tolmie, Mayor Herbert Anson and others.

VETERANS CONFAB FOUND SUCCESSFUL

Echoes of a very successful convention of G. A. R. and W. R. C. members at Newberg were carried to Salem Thursday when delegates passed through here on their way to their respective homes. A number of members of the Sons of Union Veterans were in the advance guard. Included in this group were J. F. Burkhardt, deputy commander of the Coos Bay Camp No. 3 and E. W. Masterson, of Grants Pass, senior vice-commander of the organization. They stopped to pay their respects to Grant Boyer, county clerk, also a member of the organization and a delegate to the convention.

"Newberg treated us royally," said Burkhardt. "For a time we thought the town would be too small to hold the crowd but we were excellently provided for."

Three Salem men were named officers in the Sons of Union Veterans organization. They were Charles Howard, political instructor, G. R. Stover, chaplain and L. C. McShane.

Lighting Rates Along Coast to Be Cut Slightly

Reductions in residential and commercial lighting rates at Astoria, Seaside, Hammond, Warrenton and Cannon Beach were announced here Thursday by the Pacific Power and Light company. The rate reductions were voluntarily on the part of the power company, it was said.

HARBOR DEFENSE COMMANDER DIES

SAN FRANCISCO, June 20. (AP)—Colonel E. B. Martindale, in command of the harbor defenses at Fort Winfield Scott here, died suddenly of a heart attack this afternoon. The colonel had been in apparent good health, but felt ill shortly after an officer's conference this morning.

Colonel Martindale had been in command of the harbor defenses since last December. Prior to that time, he was in command of the coast artillery reserves of this district.

A graduate of Culver Military academy in 1895, he was in the Indiana artillery until 1898, when commissioned as a second lieutenant. He was appointed to the regular army that year and has been in command of the 66th coast artillery.

Born in Indiana, the colonel was only 54 years of age at the time of his death. He is survived by a widow, and one daughter, Mrs. R. P. Clay, whose husband, Lieutenant R. P. Clay, is stationed with the army in Hawaii. Funeral arrangements have not been completed.

TWO WOMEN TO RUN COUNTY'S ELEVATOR

This morning members of the county court will select the two operators of the new elevator at the courthouse and these young women—for such the operators will be—will spend the day being taught how to operate the new elevator which will run from the first to the fourth floors of the structure. Thursday the elevator will be put in use for the public.

Judge Siegmund said Thursday that the selection of the two operators had virtually been completed but confirmation by the entire court was needed.

Operation of the elevator will begin at 7 o'clock daily and will continue until 12 at night; one girl going on duty at 7 o'clock and working until 2:30 o'clock when she will be relieved by the second employee.
