

MONTAVILLA IS MINUS LEADER

Mickelson's Place Taken by Homer Haworth; Game Sunday

When the Montavilla ball team walks onto the diamond at Olinger field Sunday to open the second half Oregon-Washington league race against the Salem Senators, the Villians will be without the guidance of John Mickelson, who has directed the destinies of baseball in the Portland suburb for many years.

It was announced Thursday that Mickelson had resigned and that Homer Haworth, heavy hitting catcher, had taken over the job. Since Montavilla finished in last place when the first half of the season closed last Sunday, it is expected that Haworth will take steps to strengthen the club.

Albany May Disband

The other important development noted as the league prepared to swing into the second lap of the season race, was the second announcement of the year from "Red" Rupert, Albany manager, that the Alcos would disband.

President Fred Oass had not received this announcement officially up to late Thursday, and said that so far as he knew, the M. Scott team would play at Albany Sunday. Lack of financial support was given by Rupert as the cause for the Alcos' withdrawal.

Local fans are confident that the Senators are now ready to hit a stride which will keep them in the race throughout the second half. Early in the season the local club was hampered by lack of hitting strength; in the last two games they have hit acceptably, but last Sunday against Albany they lost because of ineffective pitching.

Schedule Seems Heavy

That wasn't the fault of the pitchers, but rather of an overly heavy schedule in the preceding week. The Senators had played four games in rapid succession before taking on Albany in the league contest, and Russell had pitched a game Thursday while Barham had worked five innings against Valsetz Sunday morning.

Russell, who let Montavilla down with five hits and one run the last time these two teams met here, will try to repeat Sunday, and with plenty of rest this week, ought to be able to accomplish it.

Postoffice Boys Punch Way to Three Runs on Four Base Smash

The Portland Electric Power company ball team punched its way to a 5 to 3 victory over the Postoffice aggregation Thursday night at Olinger field in an industrial league game which was not settled until after two extra innings had been played.

The mail carriers scored all of their runs in the third inning on White's homer. Later in the same inning Welborn hit for three bases, but died on third.

Seek Justice in Border Dry Killing

Two versions of the slaying of Arthur Gordon near Plattsburg, N. Y., as he attempted to escape arrest by custom patrols are shown above. Lucien Bosworth, left, says he saw the shooting as pictured at the left when the customs guard fired on orders at Gordon, who was running through a field adjacent to the road collector. Tuloch insists that the men reported that as they pursued Gordon one fell and his rifle accidentally discharged as shown right. Whichever statement is right, District Attorney O'Connell and Judge R. C. Booth, right, swore out 'John Doe' warrants for the agent's arrest. The townspeople have assured Mr. Hoover that they will co-operate with him in every way to stop smuggling, but that innocent persons must have some assurance of safety from shooting agents.

The electricians had scored one run in the third on hits by Hoops and Boytana and Flagg's sacrifice. They got two more to tie the score in the fourth on singles by Merritt and Hoops and a two bagger by Mathis. The fifth and sixth were scoreless, but in the first half of the seventh Hoops walked, and hits by Boytana and Seelye accounted for two runs.

Deutschland uber alles! That slogan, so unpopular in this country 12 years ago, cropped out again Thursday when Max Schmeling made Paulino Uzcudun look like the battered sledge hammer the latter threw away when he found out there was more money in using padded gloves.

But sport is sport, and American fight fans will hail Deutschland's
