

KEIZER HAS FINE RECORD

District is Proud of Number of Folks Who Are College Graduates

KEIZER, July 3.—A short time ago a silver jubilee was held in Corvallis on the O. S. C. campus in commemoration of the class of 1904. Out of the 200 members only 15 were present.

One of that number was Mrs. Arthur Cummings of Keizer. The grounds and buildings were gorgeously decorated in the class colors, lavender and yellow. Many banquets were held in their honor. A special feature was an banquet breakfast which lasted from 8 to 11:15 a. m. At this time were given personal reminiscences of the important events of the past 25 years. Many happy as well as sad experiences were related. During the jubilee the new memorial union building on the campus was dedicated.

While speaking of this occasion we are reminded that other Keizer folk are graduates of other colleges. Among the graduates are Mrs. Lester Pearline who is now making a specialty of narcissi bulb growing.

Mrs. Wilbur Weeks, whose husband attended also and is now with the H. A. Hyde and Co. nursery. He and Lester Pearline being joint managers of the Salem plant on the Fairgrounds road.

Fred McCall, now located on 165 acres of land in West Keizer, is one of the new successful farmers, having 140 acres of cleared land.

Mr. and Mrs. Harry Peary are both graduates. Mr. Peary is with the Peary Bros. nursery in Salem; Mrs. Peary, formerly Vera Marsters was a domestic science teacher in Salem high school. They have a beautiful modern home in Keizer.

Knight Peary is also a graduate and is associated in the nursery business with his brother in Salem.

Ernest Webb, a graduate in civil engineering is with the General Electric company in Schenectady, N. Y.

W. H. Rehffuss, recently a benedict, was a 1929 graduate. He with his bride have returned to Astoria after a brief visit at his former home in Keizer.

Roy Rielifson, while not at present a resident of Keizer, was also a graduate of our state college. Among those who have attended are Lloyd Cummings, who with Lloyd Weeks is in the bulb business, more extensively in growing gladioli; Truman Cummings spent two years at the college and is now in the insurance business.

Mildred Weeks also spent two years at O. S. C., but changed to the U. of O., that she might take up more definitely her chosen work—art.

Era Webb will be a senior next year in the state college. There are several in Keizer who are graduates of Willamette university. Mrs. Cora Beardsley, now

Diane Ellis, William Boyd and Alan Hale in the picture, "The Leatherneck."

attending summer school at Monmouth is one of Keizer's successful teachers.

Mary and Royal Keizer also finished a course in Willamette university.

Carl Rehffuss is a graduate of Stanford university. He received his teacher's fellowship from the California State University and worked for his master's degree. Mr. Rehffuss is now chemist for the Standard Oil Co., of Calif.

Murray Keefer is a graduate of Kimball college and is now an instructor in that institution.

Lillian Rehffuss graduated from Monmouth normal in 1927 and expects to teach in Idaho next year. Mrs. W. H. Rehffuss is also a graduate of U. of O.

PRATUM GIRLS LEAD DEVOTION SERVICE

PRATUM, July 3.—Mrs. E. Roth and eight girls of her class of the Monmouth Sunday school, Leona Lelay, Susie Rutachman, Clara Dalke, Emmeline Natziger, Lucille Roth, Beulah Gerig, Evaline Natziger, and Evelyn Plunket conducted the opening devotional service at the Hayesville district Sunday school convention last Sunday.

It was the most impressive and worshipful devotional service that has been held at a Sunday school convention for some time.

The boys of the Methodist Sunday school worked on the baseball diamond Monday evening to have it in fine shape for the Fourth.

It now appears that damage to red wheat caused by the cold rains was not nearly as bad as was feared for a while. The heads seem to be filling well.

The Women's Foreign Missionary society met at the home of Mrs. Adam Hensch, Tuesday evening. The men were also invited to attend.

Miss Amanda Mitzner has her mother and her sister, Ida, living with her now.

Last call for lunch to bring with you to the Pratum picnic grounds. S. Come early, stay all day and evening. There will be something doing all the time.

Woodburn Club To Give Musical Comedy in Fall

WOODBURN, July 3.—The board of directors of the Woodburn Women's club met at the home of Mrs. C. C. Geer, president Tuesday to hear the proposition of Mrs. Rosella Zour who proposed the club undertaking the production of the delightful musical comedy, "Hello There."

The board accepted the proposition of Mrs. Zour and the comedy will be put on some time this fall.

The comedy is very spectacular and beautiful as well as being a genuine mirth provoker.

The cast, which will be all-home talent under the supervision of a paid director of Mrs. Zour's company, contains 12 principals and centers around John and Susie Brown who have returned home from college and find the old village rather dull. They propose to enliven the place and start off by having an immense house party.

Everyone is invited and in the end they succeed in enlivening the town, even down to the parson, the village "Auntie" and all the other old moss backs.

The twelve principals are not the only ones however, the cast also includes a pageant of 50 kiddies, a chorus of 24 high school girls and last but not least, 30 business men who will take the parts of chorus girls.

The costumes and setting will be unusual and with all the characters coming from the town, it will promise to be of interest to everyone and go over big.

Lime Plant at Dallas is Busy

DALLAS, July 3.—Opening of the lime plant located some five miles south west of Dallas is proving a boon to the farmers in Polk county.

The lime is \$3.00 per ton with a small charge for delivery to those requesting it, and at that, is well below the cost of lime from the state plant.

While the property is owned by local people it is under lease to the Marsh Construction company of Spokane, and during the few weeks of operation, orders are booked ahead for more than 30 days.

The company employs about 12 men, have their own trucks and rail connections to the main tracks of the S. P. Co.

Know him By This SYMBOL

To identify certain worthy funeral directors, the symbol you see pictured below was created, and it is being used throughout the United States and Canada by funeral directors of high professional standards..

This symbol has therefore become a symbol of good faith; the mark by which the public may know a funeral director who may be relied upon to give comprehensive service, to advise wisely, and to charge a price in keeping with the family's means.

There is now a Golden Rule funeral director in this community. His announcement, incorporating this symbol, will appear within a short time in this paper, over his own business signature. The Order of the Golden Rule is proud to present and to recommend this firm to the people of this community and the surrounding territory.
