

HUBBARD HAS MANY GUESTS

Trips to Beaches and Entertaining Visitors Keep People Busy

HUBBARD, July 9.—Mr. and Mrs. B. W. Baker of Santa Anna, Cal., were called to Hubbard, former home of Mrs. Baker, Miss fondly Moomaw, when her father, J. Moomaw was injured at a sawmill located on his farm. Mr. Moomaw, much improved, was removed from the Hubbard Mineral Springs Sanatorium Monday to his home.

Mrs. T. C. Watson and children, Tommie and Clair, accompanied by her sister, Mrs. Lulu Minions, went to Portland Saturday for several days visit, with their mother Mrs. W. M. Caldwell. Mrs. Watson is manager at the Hubbard Mineral Springs Sanatorium.

Many from Hubbard attended the air circus at Silverton Sunday among whom were Mr. and Mrs. Herman Carl and son Marion accompanied by Rollie Bigdow. Mrs. A. F. de Lespinasse and son and daughter, Franklin and Marie, accompanied by Miss Frances Leffler also attended.

Mr. and Mrs. E. A. McKee and daughters Dorothy and Phyllis of Seattle, Wash., left for their home Monday after visiting since Wednesday of last week at the home of Mrs. McKee's sister, Mrs. A. F. de Lespinasse.

Mr. McKee, son of Mr. and Mrs. W. McKee of Rosalia, a resident of the Pacific highway, is a Hubbard boy and Saturday was the guest of his former chum, Clark Moor Will of Salem who was also a Hubbard boy. Mr. McKee operates a radio service plant in Seattle.

Hubbard was very quiet over the fourth as many were away at resorts and at the Molalla Buckeroo. Among the resorts enjoyed were Shade-E-Acres, Silver Creek Falls, and the ocean beaches.

Mr. and Mrs. A. R. Stevens and daughter Anita, accompanied by Melvin Mittle motored to Neskonim Sunday for a day's outing at the beach.

They left at 3 o'clock in the morning after listening in on the radio program from Westminster Abby, England. Mr. Beverly tried deep sea fishing off the rocks but the sand was washing in so badly that he had no luck.

STAYTON EXCITED OVER FIRE SIREN

STAYTON, July 9.—No little excitement was created Sunday noon when the fire siren blew. The wind had been blowing a terrific gale all morning and a fire was feared certainly had been bad.

However it was found that the city council ordered that the fire siren should be blown each day at noon hereafter so that the townspeople would have something to "set their watches by."

On Monday morning about 10 o'clock the siren blew when a roof fire was discovered at the Joe Barry home. It was quickly under control, the report that Mr. Barry had small pox creating more excitement than the fire.

Mr. and Mrs. Joe Pieser are the parents of a son, born July 5. Dr. Smith was in attendance.

Mrs. J. A. Mayo and daughters Patricia and Jean are expected to reach Portland on Tuesday. They have been visiting relatives in Nebraska for several weeks.

LEAGUE PROMOTES SUNDAY NIGHT DATE

OMAHA, Neb., July 9.—(AP)—Miss Rosa Sox, vice president of the Luther League of Hickory, N. C., told the biennial conference of the international organization today that "Sunday night dates" should be promoted, not suppressed, by the league.

A personal element in devotion was urged by her. Luther League meetings, she said, should foster and direct contact between young men and women, and should promote the Sunday night date, not suppress it.

"Another objective of the organization," she continued, "is to supply youth that refuses to be blindfolded any longer, the information that he seeks, and then help him to evaluate that information."

DALLAS PARK GUARDED
DALLAS, July 9.—In line with the policy adopted by the City Park board of the council, two boys were arrested Saturday in the park for using profane language and destroying property.

The boys each paid a fine of \$10 in preference to spending 5 days in jail. Two care takers are now on duty at regular hours in the park and will make every effort to prevent rowdism.

HUBBARD, July 9.—The Hubbard Commercial club has been unusually active during the past week. An engagement of three days' playing at the Molalla Buckeroo was fulfilled. Friday afternoon they played at Playmore park and Saturday night gave the second summer evening concert.

These Saturday evening concerts which are sponsored by the Hubbard Commercial club are to be a feature of each week during the summer months.

The band stand is located in the Methodist church park, and the concerts are well attended and highly appreciated. Dr. A. F. de Lespinasse is the director.

Army Beauty Christens Flagship

In the above picture, Miss Mary Fechet, pretty 17-year old daughter of Major James E. Fechet, chief of the U. S. army air force, is shown with an up-raised bottle in her hand ready to christen the flagship of the "Sky Fleet" of the General Tire and Rubber company, naming it the "General Jim" in honor of her father.

This ceremony, at Bolling field, Washington, D. C., marked the official start of the "Sky Fleet's" 50,000-mile air tour of the United States, Canada, and Mexico during the next six months, in the interest of the development of commercial aviation.

WOODBURN HOLDS S. S. CONVENTION

WOODBURN, July 9.—The regular quarterly meeting of the North Marion Council of Religious Education was held at the Church of God grove just north of Woodburn, Sunday.

The jurisdiction of the organization takes in all protestant Sunday schools from Gervais to the north county line and as far east and west boundaries go beyond that line north.

At 10:15 classes were held for the various groups of Sunday school students and at 11:15 regular morning church services were held. Mr. and Mrs. O. F. Larson were in charge of the singing and invocation was by Rev. Henry Hanson of the Presbyterian church of Woodburn.

The minister for the church services was Dr. W. L. Van Nuys field secretary of the board of Christian education for Oregon.

Dr. Van Nuys has just returned from a trip through the Holy Land, which gave him a more impressive by his thorough knowledge of the setting of his scripture which was taken from John 4.

During the potluck dinner served at noon several boys from the state training school furnished music and singing as entertainment.

The afternoon services began at 2:00 o'clock and opened with singing accompanied by Miss Ruth Schrock. The president, Rev. John T. Myers, was in charge of the meeting. Prayer was offered by Rev. H. L. Graffous of Gervais and was followed by musical numbers from various churches represented.

The address of the afternoon was given by Dr. W. T. Milliken, head of the Baptist theological seminary of Portland, who took as his subject, "The Question of the Greeks."

Several hundred people enjoyed the meetings and the inspiring services in the beautiful grove and will meet again the first part of October in the Bethel Presbyterian church.

Rev. John T. Myers was the chairman of the committee in charge of this meeting and Mrs. O. F. Larson was the secretary. The third member of the committee was Mrs. A. M. Van Cleave.

The car evidently skidded on a curve, ran from one side of the road to the other, turned over and rolled across the road where it caught fire. The fire department was called but the car was a complete loss, somewhat covered by insurance.

Mrs. Kersey, who was driving, Mr. Kersey and friends who accompanied them were fortunately uninjured.

What a Spokane man says about Casey's Guaranteed Rheumatic Remedy and Blood Tonic:
"I have suffered from rheumatism practically all of my life and have been given up as a hopeless case by several different doctors. When I was told of Casey's Rheumatic Remedy I began with it immediately and noticed a great relief from the first bottle. I continued with it until I am able to work every day at hard manual labor. I cannot recommend it too highly."<
