## HARD TACK WINNER CLASSIC HANDICAP

NEW YORK, July 25. — (AP) — Hard Tack, a big three year old chestnut son of Man O' War, cost the Wheatley stable \$25,000 as a yearling, but he gave every indication of being worth the amount as he graduated from the maiden ranks today in winning the Knickerbocker handicap at Empire City.

Like all of the get of his illustrious daddy, he has been slow to round into form. He started twice as a juvenile, finishing ninth in his first time out and sixth the second. Ten days ago he made his 1929 debut at Empire and ran third in his first public appearance at a mile and 70 yards. Three days later he ran second to the flashy Stars and Bars over the same distance and then today advanced another notch to win his initial race at a mile and 1-16.

This gallant son of the super horse Tea Blacut, is heavily booked in Saratoga stakes and will meet the class of his age in the travelers mid-summer derby, August 17.

## RACING INJUNCTION ORDERED DISSOLVED

CHICAGO, July 25. — (AP) — Judge George Rush today dissolved a temporary injunction protecting dog race tracks in Cook county against ETAOIN -lonok county from police interference.

Hearing a contempt citation against State's Attorney John A. Swanson, Sheriff John Treasurer, Commissioner of Police William E. Russell and several others, Judge Rush held that a court equity was without power to issue an injunction protecting "questionable enterprises."

He dismissed the citations and refused to allow attorneys for the Hawthorne track which was raided both of the last two nights despite the temporary injunction to withdraw the petition which brought the matter before him. The injunction was issued by Judge Harry Fisher.

Attorneys for the Hawthorne track announced they would continue to operate. Word came from the state's attorney's office that raids will continue until dog races with pari-mutual betting are driven out of business.

# RIVERSIDES

The first choice of millions of motorists throughout America

YOU hear a lot of talk and read many statements nowadays, about how many millions of this or that tire have been sold... and why. These statements fail to point out, however, that a large percentage of all these tires are sold as "factory equipment" on popular makes of automobiles. In other words, the motorist himself has had very little to say about selecting the tire equipment of the new car he buys.

When these same motorists, however, have an opportunity to study tire quality and tire values for themselves, the story becomes somewhat different...

Take, for example, the popularity of RIVERSIDES among car-owners. This famous tire was introduced to the American public 18 years ago. Since that time RIVERSIDES have been sold to many millions of motorists throughout America. A great majority of these tires have been sold on merit alone—without any high-pressure salesmanship. And they were bought on just three points: the splendid reputation of Montgomery Ward & Co., the definite mileage guarantees under which RIVERSIDE Tires have always been sold—and the recommendation of millions of satisfied users.

Facts like these cannot be disputed or ignored. They explain why RIVERSIDE Tires occupy a place among the leaders of the industry—and it is because of these facts that we make the claim, and back it with our guarantees, that RIVERSIDES ARE THE EQUAL OF ANY TIRE MADE, regardless of price. This statement we are anxious to have you prove to your own satisfaction—on your own car—the next time you are in the market for tires.

In the matter of price, RIVERSIDES, of course, save you money. Compared with the five or six other leading makes of equal quality, for example, your savings on a RIVERSIDE range from about \$2 per tire (on the 29 x 4.40 RIVERSIDE Balloon) to \$5 to \$10 on larger sizes. Surely such savings merit your most careful consideration... particularly in view of the fact that when you purchase a RIVERSIDE you are protected by definite guarantees of 16,000 and 30,000 miles of service! No other make of tire in America today, backed by an organization with the responsibility of Montgomery Ward & Co., is sold under such definite mileage guarantees.

Visit our store today and see these RIVERSIDES for yourself. Note their quality construction, low price, iron-clad mileage guarantees... and buy on FACTS, not "talk."
