Showers at some Canadian points, together with the fact that late crop condition figures from the Canadian Growers' pool were not so rad-ically bad as many traders looked for, led to big profit taking sales, and turn-ed the cereal markets downgrade toward

Earlier, there had been a general rush te buy on account of reports of contin-ued almost world wide wheat growth re-verses, throughout Caunda and the Amercan northwest in particular. Closing quotations on wheat were nerwous at virtually the day's lowest point, quack grass, estimated to cost % o under yesterday's finish. Corn closed 8-8c to 1% c down and oats % s off to 5-8e up.

posited at time of sale, money to be re-turned if sale is not approved, otherwise patent will issue for the timber which must be removed within ten years. Bids will be received from citizens of the United States, associations of such cit-izens and corporations organized under the laws of the United States or any State, territory or district thereof any the laws of the United States or any State, territory or district thereof only. Upon application of a qualified purchaser the timber on any legal subdivision will be offered separately before being included in any offer of a larger unit.
