

Arrangements Completed For Championship Legion Game

JUNIOR TEAMS WILL COMPETE

Silverton and Portland Aggregations Stage Finals in Salem

Arrangements for the final state championship game in the American Legion junior baseball competition here August 9, were made in Salem Tuesday by E. L. Starr of Silverton, representing the team from that city, and Carl Moser, state adjutant of the American Legion, who is director of the junior baseball program for the state and also at this conference represented the interests of the Gyro Cards, Portland team.

The game will be played at Olinger field at 2:30 o'clock in the afternoon of Friday, the second day of the American Legion convention.

Handsome Trophy Will Be Put On Display

The Spalding Bros. trophy, a handsome affair, featuring the figure of a baseball player, will be on display soon at a local sporting goods store.

The Gyro Cards won the right to oppose the Silverton team, by defeating Ontario, the eastern Oregon winner, at Pendleton Monday 14 to 0. The Cards exhibited plenty of hitting strength, pounding in six runs in the second inning, adding four more as the game progressed and winding up with four in the final frame.

Charles Shows Up Well On Mount

Charles, Franklin high school boy who pitched for the Cards, struck out eleven batters and held the eastern Oregon champions to three hits. H. Olsen, Cards' third baseman, topped the hitting department with four singles out of as many trips to the plate.

Portland's entry is certain to give the Silverton team a strong battle, as it triumphed only after victories over the dozens of teams entered in Portland early in the spring, after which it defeated Hood River's contenders and several others.

HELEN JACOBS IN SEMI-FINAL

California Girl Loses Only Five Sets in 2 Matches At Seabright

SEABRIGHT, N. J., July 30.—Losing only five games in two matches, Miss Helen Jacobs advanced today to the semi-final round of the Seabright invitational tennis tournament in which she is defending her laurels won last year.

After swamping Miss Anne Pace of Philadelphia, 6-0, 6-2, Miss Jacobs defeated a fellow Californian, Miss Marjorie Gladman, 6-0, 6-3.

When play in the women's singles is resumed on Thursday, Miss Jacobs will meet Miss Marjorie Merrill, of Dedham, Mass., who defeated Miss Alice Francis of Orange, N. J., 6-4, 6-1, in the third round.

In the other half of the draw two more invaders from the far west came through to give California three of the four semi-final berths. Miss Edith Cross, of San Francisco trimming Miss Dorothy Andrus of Yonkers, N. Y., and Miss L. A. Harper, another San Franciscoan, trouncing Miss Evelyn Parsons of Palo Alto, Cal., 6-2, 6-3.

In the national women's ranking list, Miss Jacobs is second, Miss Cross third, Miss Morrill sixth and Mrs. Harper eighth, and it is in about that order the surviving "big four" are favored.

Without any dominating individual figure, the race for tournament honors in the men's division waxed hotter today as the field narrowed down to eight survivors.

Only two foreign players were among this number as the Oxford and Cambridge university entrants here turned back in three out of four matches and only N. G. Farquharson of South Africa and Cambridge remained with Sadakazu Onda of Japan to supply an international angle.

Farquharson, a veteran of Davis cup play, as a representative of South Africa, defeated Watson Watson, the former internationalist, 6-3, 5-7, 6-4.

PORTLANDER SELLS BIG PRUNE ORCHARD

With outlook on the prune harvest the most promising for some seasons comes the announcement of a sale of one of the county's largest prune orchards, the 110-acre "Lone Maple," located on the Rosedale road, to Earl Percy and Roland Jory of Salem. J. Lowgart of Portland has owned the orchard for several years. Walter Jory planted the trees about 18 years ago, which means the orchard is now in its prime. The new owners have not announced the figure which they gave for the fruit tract, which also includes a 10-tunnel prune drier and a 10-acre pear planting.

This orchard has sold in the stronger days of prune industry for as high as \$80,000, and although the present deal probably falls well below this consideration, the prune crop outlook is so good it is expected the new owners will play in luck—provided the weather continues to go with the crop. The crop now hanging is exceptionally heavy. Percy and Jory plan to operate the drier this year and are understood to have disposed of their tonnage already.

Maxie Rosenbloom Given Decision Over Dillon of Winnipeg in Fast Scrap

PORTLAND, Ore., July 30.—(AP)—Maxie Rosenbloom of New York City, with his slapping and punching style, boxed his way to a decision tonight over Harry Dillon of Winnipeg, Canada, in ten fast rounds. Rosenbloom weighed 171 to Dillon's 179.

It was a rousing battle until the fifth, but from then Maxie's uncanny speed began to tell. He socked Dillon at will but crafty footing and a display of excellent guarding kept Dillon from getting one on the button for a knockout.

In the six round preliminary judges, much to the annoyance of the crowd, which boomed wildly, gave Jimmy Dolan, Los Angeles, a six round nod over Frisco McGale, Seattle. McGale scored a knockdown in the fifth. They weighed 148.

Other results are: Roy Cress, 116, Portland, got another much-booded decision over Eddie Graham, 122, Portland, in six rounds; Johnny Hanson, 137½, Portland, won in four rounds from Sammy Goldstein, 144, Vancouver, Wash., and Bobby Dugger, 142, Portland, was awarded the edge in a four round bout over Frankie Britt, 142, Umatilla Indian.

Incident to an announcement that Lamb will be a member of the gridiron coaching staff at O. G. C. again this fall, the following resume of his record appears in the Corvallis Record-Times:

"Roy Lamb who was added to the staff last year will assist in coaching the varsity backs. He was a star backfield performer at Lombard college where he played under Coach Schlessler for three years. He was Illinois all-state quarterback for four years. He was one of the only two men to receive 15 letters in major sports at Lombard. After being graduated from Lombard he played three years of professional football—one with the Rock Island Independents and two with the Chicago Cardinals. Lamb was rated as the greatest quarterback to play against the famous four horsemen of Notre Dame by Harry Stuldreher, the Irish quarterback.

The Montavilla boys hit just as hard as the Kelso team Sunday, but couldn't get the runs, Kelso winning 7 to 2. Bemis, Villans' first sacker, hit three for four.

It's Silverton and the Gyro Cards of Portland for the American Legion junior baseball final contest here. Both have impressive records.

The preliminaries worked out perfectly to insure a monstrous crowd for the game here August 9. The Portland team will bring a host of supporters, while the Silverton outfit will be backed by all of northern Marion county, for it has drawn players from nearly every community. Salem, too, will turn out to root for Silverton. And then there will be crowds from all reasonable distances, coming here to view the outcome of a program in which nearly every city in Oregon boasting an American Legion post, had a team entered.

Since the Oregon winner is reported to be scheduled for a game against the Washington winners, it may be of interest to know that the Vancouver and Seattle teams will be the finalists there, playing at the legion convention in Seattle.

"\$24,000 still needed by Y. M. C. A." says headline. We didn't suppose the Y. was going in for moonshine.
