

MISS HELEN JACOBS TAKES SEABRIGHT FINALS

BERKELEY GIRL NEW CHAMPION

Edith Cross, Fellow Californian, Completely Outclassed

SEABRIGHT, N. J., Aug. 3.—(AP)—Playing on a rain drenched court, Miss Helen Jacobs of Berkeley, Calif., won the women's singles final in the annual Seabright lawn tennis and cricket club tournament today, completely outclassing her fellow Californian, Miss Edith Cross of San Francisco, by scores of 6-1, 6-2. The match lasted but 33 minutes.

A gallery of slightly more than 200 including Governor Morgan F. Larson of New Jersey, looked on as Miss Jacobs, the country's second ranking player, successfully defending her Seabright laurels won last year.

From the outset it was seen that Miss Cross, No. 3 in the national ranking, had little chance against the well-placed driving and fine volleying of Miss Jacobs. Miss Cross was able to win only three scattered games, the same number collected by Miss Marjorie Morrill, of Dedham, Mass., in the semifinal and by Miss Marjorie Gladman of Santa Monica, Cal., in the third round.

Miss Jacobs suffered the loss of but 11 games but not a single set in her four matches.

Instead of slowing up Miss Jacobs' game the pelting rain appeared to make it more dangerous. Her crisp drive sliced over the turf with a low, deceptive bound that had Miss Cross banging the ball outside or into the net for a total of 83 errors in the two sets. Miss Jacobs, on the other hand, made 49 miscues and in the difference lay her superiority.

Long Shots Come In First; Backers Carry Off Profit

PORTLAND, Ore., Aug. 3.—(AP)—Two long shots came over in the first three races of today's American Legion meet at the Graham track. A crowd estimated at 10,000 saw Washoe, Miss P. Palmer's brown gelding, lead a fast field to the wire in the second number to reward his backers with a \$21.20 return on a \$2 donation. Minnie Meadows, three year old bay mare, furnished the other upset to pay 10 to 1.

DEMOS HASTEN TO FLAY SMOOT

Sliding Scale Idea for Tariff on Sugar Won't do At All, Claim

WASHINGTON, Aug. 3.—(AP)—Democrats lost no time today in attacking the proposal of Senator Smoot of Utah for a sliding scale for sugar tariff rates which was carried by the Utah senator to Virginia for discussion with President Hoover at the executive's fishing preserve in the Blue Ridge mountains.

Senator Harrison, democrat, Mississippi, a member of the finance committee of which Smoot is chairman, described the proposal as "a fine scheme to fix and manipulate prices," and Senator Connally, of Texas, also a democratic member of the committee, asserted that the sliding scale was sure to cause a higher rate on sugar than at present.

Interest Aroused By Conference With Hoover

Considerable interest was manifested in Washington in the visit of Senator Smoot to White House's mountain lodge where it was regarded as certain that the sugar schedule would form the principal topic for discussion. Smoot's committee will hold a hearing on the proposal next Wednesday and committee action is expected to follow promptly. There are indications that a number of prominent republican senators, including Senator Borah of Idaho, also are not wholly satisfied that the Smoot plan will prove efficacious for meeting the president's wish to frame a sugar schedule which will benefit both the producer and consumer.

Uncertainty Marks Completion Date

Whether the tariff bill will be ready for senate attention on August 19, the date set for that body to re-convene, is held to depend on progress made by the finance committee next week. Chairman Smoot has ordered night sessions to speed up the work, but there has been some discussion of notifying the senate membership that three-day recesses will be taken between August 19 and September 12, in order to give the committee more time.

Senator Harrison said in his statement, issued by the conference between Smoot and the president. A similar conference, he asserted, was held by the president with house leaders when the tariff bill was before that body.

Sarcasm Comment Flung By Harrison

"No one at that time heard of the president raising a protest against any part of the house program," Harrison said. "It may be that it is the aroused force of public opinion that has caused this important conference in Virginia; or it may be that Senator Smoot wants to sell his sugar-coated plan to the president."

Senator Connally said the objective of Chairman Smoot was to increase the price of sugar and he added that the sliding scale would do this.

"Its design is to fix the price," Connally asserted. It also will fix the consumer. The sliding scale will slide upward rather than downward. When stripped of words and theories, sugar will cost more than it costs now. That is what Senator Smoot wants. Is that what President Hoover wants; is that the president's plan to 'protect the consumer'?"

THREE DIE OF POISON FLOUR

Farmer's Wife, Son and One Boarder Succumb to Death Plot

MONROE, La., Aug. 3.—(AP)—Biscuits made from poison flour killed a farmer's wife, her son and a boarder, and made three others "obviously ill" on the E. L. Wallace farm, four miles east of Kilbourne. The biscuits were eaten at yesterday's breakfast and immediately afterward all six were thrown into agony and were found about the house by a passing neighbor. They had attempted to stem the ravages of the poison by swallowing melted grease.

But Mrs. Wallace died last night, soon after W. Brakefield, the 65 year old boarder, succumbed, and at 1 a. m., today Bruce, nine year old Wallace boy, died. The other three, E. L. Wallace and two sons, Basil, 14, and Russell, 12, were reported late today in critical conditions.

Sheriff W. S. Smith, of West Carroll Parish, started an investigation and arrested on suspicion Elmer Leonard, a neighbor of Wallace, and two negroes, C. P. Pownell and Burnie Pownell. The sheriff said he had been advised that Leonard had had financial troubles with Wallace. He expects to make a fourth arrest in the case.

The sheriff said he found finger marks in a sack of flour in an outhouse with a trail of the poison leading to the sack of flour in the Wallace kitchen.

After an investigation, Dr. P. N. Fulley, West Carroll coroner, returned a verdict of death by poisoning resulting from an act of a person or persons unknown.

CALIFORNIA AREAS SWEEPED BY FLAMES

SAN RAFAEL, Calif., Aug. 2.—(AP)—Another fire was burning in the Mt. Tamalpais district late today, and 300 men, including the fire departments of several Marin county cities, were attempting to stem the blaze.

The fire had burned 300 acres late this afternoon over the Bald Hill district, in the Cascades, north of Fairfax. It was burning toward Larkspur, Norte Madera and Baltimore canyon and encircling Phenix lake, Marin county's principal source of water supply. It had also burned past the home of T. W. B. Leland, San Francisco county coroner, but had not destroyed any homes.

Doney to Talk At Exercises In Wilson Park

"Why Men Fall" will be the subject on which Dr. Carl Gregg Doney, president of Willamette university, will talk at the Wilson park union church exercises Sunday afternoon. The program will begin promptly at 8:30 o'clock, Dr. B. L. Steves to preside. Joseph Benner will lead the singing. Elizabeth Wright will sing in an original reading and prayer will be given by Rev. George Swift, pastor of St. Paul's Episcopal church. Florence Teed will sing a solo, and Mrs. Teed and Mr. Wright will sing a duet. Mr. Swift will deliver the benediction.

There will be blood in the eyes of each member of the Salem ball team this afternoon when the second game with Mt. Scott starts, according to all advance indications.

The feeling is pretty general among the Salem fans that the team's strength of the Mt. Scott outfit was largely responsible for their defeat last Sunday, and there will be no monkey business about this contest.

Barham Chosen To Have Pitch

Manager Frisco Edwards has announced that Wayne Barham will do the heaving, and after a rest of a week and a half, Wayne ought to be in top form.

The last time that Barham pitched against the hilltoppers from Portland, he held them to six hits, nicely scattered. Barham was also backed up against Harris, Mt. Scott's patient twirler, on a previous occasion when, after pitching out a forenoon game, he was called in to do the throwing for eight innings more in the 14 inning contest against Albany in June.

Wayne up Against Tough Proposition

Naturally Wayne was at a disadvantage under those conditions, but he held the Alcos scoreless for six of the seven innings.

Otherwise the layout is practically the same as last Sunday, except that the Senators will be a fighting ball team today, instead of the over-complacent unbeaten team they were at the start of that encounter.

Additional work on the outfield has been done in the past few days and the fielders are expected to be able to cover more territory today if necessary.

Today's the day that the Salem and Ilhae clubs stage their battle on the Salem fairways.

The Silverton American Legion junior ball team ought to draw half the Willamette valley to Friday's game here with the Gyro Cardinals for the state championship game. Silverton recruited its team from Mt. Angel, Brooks, Gervais, Hubbard, Molalla, Woodburn and Silverton itself.

"Californian Wins 16 Tennis Finals" is a headline that all the papers ought to keep set up ready for use these days.

Equipment Bought by Local Firm

A new four side sticker, has been installed at the Bartosz draper manufacturing plant on South Winter and Trade streets, according to announcement made by company officials yesterday.

The purpose of a sticker is to smooth the surface of the maple slats that are used on the draper. The new machine will be put in operation this week and will quadruple the capacity of the plant in this particular line. With the machine previously used it was necessary to run a slat through it four times, once for each side. The new sticker smooths all four sides at once and at the same time puts a small groove in the under side. Special knives have been made for the machine, which was turned out by a Portland concern.

A demonstration of the draper was held last week before the experts at Oregon State college, who gave it their approval. A draper is now being sent to Corvallis for use at the college.

TO BUY BLACKBERRIES

SILVERTON, August 3.—The Silverton Food Products company has announced that it will buy for cash all Evergreen blackberries from this community at the market price. This is reported to be four cents at the present time. The company, a cooperative affair, will make no discrimination between stockholders and non-stockholders in the blackberry purchase, it has announced.

Owners of Evergreen patches in the Silverton country report that the crop is very promising.

BANKS HAVE STRIKE

GUAYAQUIL, Ecuador, Aug. 3.—(AP)—Employees of the banks here went on strike today, excepting those working for the Central bank.

FARM AGENT PASSES

EUGENE, Ore., Aug. 2.—(AP)—Floyd W. Rader, first agricultural agent of Lane county, died here today.

FIVE CONS ESCAPE

SPEIGNER, Ala., Aug. 3.—(AP)—Five convicts overpowered a guard and escaped from the state prison here this afternoon.

Curt Comments

By CURTIS

Ball players have a big advantage over actors.

A theatrical troupe must either learn a new show, or move on after everybody in town has seen the one they've been giving.

But a ball team never has to rehearse a new show, because every one is new no matter how hard the players try to repeat their last performance.

Which is our way of leading up to a remark that although it will be the Senators and Mt. Scott again at Olinger field today, we predict there will be a lot more fans out to see it than there were for last Sunday's game.

Now that the jinx is broken and some of our guesses have turned out right, we pick the Senators to win today.

By the way, part of the scenery will be new for today's show, after all the work that the American Legion boys have done and will do this morning, dolling the place up for the convention events.

Good as Mr. Harris of the Tigers is, we bet he takes particular notice every time Billy Sullivan steps up to bat.

We'll also predict that George Scales, Mr. Scott's right fielder who plays basketball for Willamette university in the winter, will watch his step around first base this Sunday, if he gets that far. Last Sunday he cheated himself out of one hit by failing to touch the bag, and was caught off the base another time.

The Wolfers play Kelso. There's one tie in the standings that will be broken, and the result will mean something to Salem if Longview, as has been forecast, drops back after releasing some of its high priced help.

Before the season started, the two Washington towns in this ball circuit were red hot, and reports came forth that there were big sinking funds behind both teams. But attendance hasn't been what it should, and the sinking funds sank rapidly, or so we hear.

One thing about sinking funds, they don't help the spirit that the visiting team get, and that's why, without a sinking fund but the best baseball town in the league, got so many home games this half. Anyway, that's the low down that Manager Frederickson of Mt. Scott handed out when he was here a week ago.

Rupture Shield Expert Coming to

Salem on Wed. & Thurs., Aug. 7 & 8 at Marion Hotel from 10 a. m. to 4 p. m. Evenings by telephone appointment only the first day.

TWO DAYS ONLY

No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.

I guarantee the durability of my absolutely sweat and moisture proof, sanitary appliances.

75 per cent of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

DUCKS DEFEAT INDIANS AGAIN

Tribesmen Win Second Game But It Doesn't Have Any Effect

PORTLAND, Ore., Aug. 3.—(AP)—Portland and Seattle broke even in a doubleheader today but only the first game counted and Portland won that, 3 to 2, bringing the series to four wins against one defeat. Leroy Mahaffey gave Seattle only four hits, three of which in the first inning results in two runs off him. Seattle took the second game by a score of 8 to 0.

Sacs Defeat Oaks

OAKLAND, Cal., Aug. 3.—(AP)—Sacramento clinched the series with the Oaks this afternoon when they won a see-saw game 9 to 7. After three Oakland pitchers failed to hold the Senators, Buzz Arlett took the mound in the seventh and was charged with the defeat, as the Senators scored two off him in the ninth. Sacramento used four pitchers, Rachac getting credit for the victory.

Philadelphia Oarsmen Are Winners in 57th National Event, Connecticut River

Springfield, Mass., Aug. 3

(AP)—The sturdy oarsmen which Philadelphia sent here to participate in the national rowing association's 57th regatta completed their triumph over the best blades in the United States and Canada by winning six of today's eight championship events. They captured five victories yesterday, giving them 12 of the 15 titles at stake in the two day competition.

The greatest individual honor went to Kenneth Myers of the Bachelor's Barge club who became the national single sculls champion by defeating Joe Wright, crack Canadian bladesman and the last year's winner of the famous sculls, by a good length over the curved mile and a quarter course on the Connecticut river.

Russell Codman of the Union Boat club, Boston, was the other starter. This classic was closed to all but winners of the national rowing association's single sculls race. Codman trailed Wright by eight length, Myers' time was 8 minutes 18 4-5 seconds, an exceptional performance against a stiff head wind.

INVITATION NET MEET STARTS

Rainy Weather and Absence of Helen Wills Have Poor Effect

MAIDSTONE TENNIS CLUB, Easthampton, N. Y., Aug. 3.—(AP)—Disturbed by rain and lacking its stellar attraction, Helen Wills, the annual women's invitation tennis tournament of the Maidstone club today concluded the entire first round and most of the second round matches.

Four of the eight seeded stars went out of the first day's play, two by default and two by unexpected defeats. Mrs. Molla D. Malory of New York, head of the seeded contingent, was forced to withdraw because of an injured knee, and Marjorie Morrill, young Dedham, Mass., star, was unable to appear because of the conflict between today's match here and the final at the mixed doubles at Seabright.

TEXAS NET STAR AFTER 2 CROWNS

OCEAN CITY, N. J., Aug. 3.—(AP)—Bruce Barnes of Texas university will try for two Atlantic coast tennis championships here Monday.

In the singles final he meets Bradshaw Harrison of the University of Oregon and in the doubles final Barnes and Jake Hess, Jr., of Rice Institute, Texas, will clash with Earl Taylor and Hugh Dunlop, University of Texas; the finals today were postponed until Monday because of rain.

Accidents Fatal To 5 Workmen

Five workmen were killed in industrial accidents in Oregon during the week ending August 1. They were: Jacob Kuns, Myrtle Point, road worker; Elmer Peterson, Portland, laborer; Chester Bennett, Jewell, logger; Lester Stickney, Halfway, laborer, and R. G. Austin, Astoria, chaser.

There were a total of 1008 accidents reported to the commission during the week.
