## CULT MEMBER IS FOUND DEAD

### Chris Solburg, Chicago Art Model, Victim of Starvation

LYONS, Colo., Aug. 28.—(A.P.)—On a cot, under his tent, the lifeless and withered form of a Chicago art model and member of a cult that came to the virgin wilderness of Peaceful valley, in the shadow of lofty mountains, was found today, a victim of starvation.

Instead of youth and health, Chris Solburg, 40 years old, found death.

Solburg was one of a party of 30 members of a Chicago under cult, who a month ago, under the leadership of Dr. George Huntley Akron, came to Colorado seeking a place where they might practice their belief.

Sunday, Solburg, who had completed his fast of 11 days, began eating solid foods. His fast had reduced him from 160 to 85 pounds. After consuming several sandwiches his friends said that he was in agony.

Coroner A. E. Howe of Boulder county reported that Solburg's death was caused by starvation and then creating when he broke his fast.

The Chicago cult received considerable publicity when ranchers reported that members of the cult were running around Peaceful valley without clothes, taking sun baths. Authorities demanded they at least wear a sun suit.

With Solburg's death only a few members of the Chicago cult remain, with the exception of one person they have quit fasting. It is reported.

## Circus Arrives Here This Morning Ready to Present Mammoth Show in Salem

The first of the four sections of the largest circus train in the world, which carries the hundreds of red wagons, and thousands of animals of the Ringling Bros. and Barnum & Bailey Circus, rolled into town this morning from Portland over the Southern Pacific Railroad.

Soon after it came the three other sections and as fast as they arrived they were unloaded and the long trail of circus wagons, some loaded with equipment and the hundreds of horses, camels, zebras and elephants extended from the unloading point to the High School Athletic Field grounds.

Hundreds of local youngsters were on hand to greet the big circus and all of them enjoyed the thrill that comes with watching the circus come to town.

"The Big Show" is bigger and better than ever this year and truly lives up to its reputation of improving its program yearly and adding to its size and the number of its thrills.

Foremost among the new acts presented is that of Hugo Zaccini, the human projectile, who is fired bodily from a huge sledge gun at each performance. No act as thrilling as Zaccini's has ever been seen before and he had proved a sensation wherever the big circus has exhibited this season.

Other thrilling acts which are new are the famous Wallenda and Reilmut troupes of high-wire artists. Golath, the monster sea elephant, that has gained a full ton in weight since last year, will again be exhibited at each performance.

"Yasso," the wonder elephant, that carries its trainer by his head in its mouth and countless other thrills and wonders are in store for the thousands who will attend the two performances.

The greatest collection of aerialists ever seen is led by the queen of all aerialists, Lillian Litzel and includes Alfredo Codo-

na, Luileta Leers, The Flying Codonas, the Charles Seigrist and the Selgrist-Silbon troupe.

Among the many well known bareback riders are the beautiful Rieffenach sisters, the Davenport, the Ernestos, Clarence Bruce, the Rieffenach family and Ella Bradna.

Wire artists are led by the great Con Colleano and include Mons. Maximo, the greatest comedy artist of the wire, and Ramona Ortiz.

Among the acrobats who perform startling feats of strength and daring are the Yacopis troupe, the Picchonis, the Rubio sisters, the DeLozas sisters, and Miss Theol, the champion long distance tumbler of the world.

The display of menagerie horses, all highly trained to trot and dance intricate steps to music, is one of the outstanding numbers of the long and thrilling program. Some of the expert riders in this number are girls who have appeared in the country's leading horse shows and ridden many famous blue-ribbon winners.

Among them are Miss Leonard, Cleo Webber, Peggy Murray, Bernice Brown, Anna Louise Hutchinson, Bobbie Warner and Miss Theresa Phillis.

Performances will be given at 2 and 8 p. m., with the doors to the huge menagerie opening one hour earlier. Tickets will be on sale from 9 to 5 at Patton Book Store, 340 State street and at the show grounds throughout the entire day.

There will be no street parade in this city as the city council having been given by "The Big Show" since 1921.

SLIM FIGURE NOW UNFASHIONABLE

Women and Girls Can Now Be Healthy as Well as Stylish

That excessive and unnatural slimmness that ruined the health of thousands of women and young girls is no longer fashionable. Paris couturiers are developing clothes for the rounded figure. Musical comedy producers are searching for healthy, normal figures for the stage. All the world is getting health-wise where the human figure is concerned.

This means that women and girls will be encouraged to eat enough varied foods at regular meals to supply the requirements of health. It means that tuberculosis, anemia and other dangerous results of undernourishment may be more easily averted. And to the eyes of discerning men and beauty experts, it means that women will be more natural and more beautiful.

Eat cereals, milk, fruits, vegetables and meats daily. Do not gorge or overeat, but eat variety. Remember that flavor is the one important factor in causing people to eat varieties of foods, and that sugar is nature's supreme condiment for developing the flavors of nearly every healthful food.

The necessity of a dash of sugar for making cereals, fruits and milk desserts delicious is well known. Women cooking experts recently discovered that a dash of sugar in vegetables while they are cooking revolutionizes their freshness and natural vegetable flavors. Most foods are more delicious and nourishing with sugar. The Sugar Institute.
