BEND, Sept. 2.—The two Salem boys in the tennis tournament...

These two Salem players, Ivan White and Harold Bauer, put up a smashing game...

Why? Believe it or not, it's the altitude. Up in this rarefied atmosphere, a tennis ball wont drop so fast with top spin on it...

Our two Salem players were both defeated in the singles semi-finals.

There are other sports up here besides tennis and baseball. It's only a short drive to any one of hundreds of fishing resorts.

Personally, we class fishing as a sport along with chair rocking contests, but there's no accounting for tastes.

But deer hunting, now, is different. In this vicinity there are mule deer, not the black tails of the western slope of the Cascades.

This highly civilized community has a real golf course. Fact is, golf enthusiasm spread fast over this country...

The "remittance men" were responsible. Strictly speaking, there are no remittance men here...

Anyway, these boys from the effete east brought in some of those funny curved sticks, possibly because someone questioned their right to wear plaid...

Another Sensational College Star Ties With Jones

PRINCETON MAN HAS 145 SCORE

Eugene V. Homans Finishes Round Before Weather Spoils Chances

By ALAN J. GOULD Associated Press Sports Editor

For the second successive day an undergraduate club-swinging jumped out of the pack to give the defending champion, Bobby Jones, a fight for scoring honors.

Homans Turns in Score of 145 Before the wind gathered full force to ruin most prospects of low scoring, Homans finished with 72-73-145.

Fighting gamely in the wake of the Georgian, Dunlap finished with 69-73-147. The Los Angeles youth at no time was in danger of repeating his record performance of the opening day.

Jones, in the star double-barreled encore of yesterday's main act, shook off his youthful rival from southern California, but was unable to outshoot the consistent Princeton star.

Anyway, these boys from the effete east brought in some of those funny curved sticks, possibly because someone questioned their right to wear plaid.
