

Fanchon and Marco's "Speed Idea" At Elsinore Sept. 14-15

Fanchon-Marco Girls Listen to Radio!

The beautiful Fanchon and Marco Sunkist Beauties, which are featured every week in Fanchon and Marco stage productions at the Elsinore, always enjoy practicing their dance steps through radio music. In this photo they are seen dancing to the tune of a popular number from a new model Sparton radio.

An exceptionally good program will be offered to Elsinore theatre patrons, Saturday and Sunday. On the stage will be presented Fanchon and Marco's "Speed Idea," featuring the 16 Sunkist Beauties, while the all-talkie comedy "Fast Company," adapted from Ring Lardner's famous story, "Elmer the Great."
