ALDERBROOK -Will T. Taylor, Builder

IN 1875, an earnest young man began to practice medicine. As a family doctor, he treated many cases of constipation. He soon saw the harm in common purges and began to seek something better. Out of his experience was born a famous prescription now in wide use.

This prescription was written thousands of times. It proved an ideal laxative for old and young. Children like its pleasant taste. Older people like it because it doesn't gripe or cause discomfort. doesn't gripe or cause discomfort.
It is a mixture of fresh herbs
and other pure ingredients;
thoroughly effective for the
most robust of men. Stimulates the normal muscular
action of the bowels. So its use will not become a habit.

As people saw how marvel-

ously the most sluggish bowels are started and bad breath, headaches, biliousness, feverishness, or no energy, poor appetite, etc., are relieved by Dr. Caldwell's prescription, it became necessary to put it up ready for use.

Today, Dr. Caldwell's Syrup Pepsin, as it is called, is the world's most popular laxative. All drug stores have the generous bottles. The product never varies from Dr. Caldwell's original formula. So you can take it with confidence or give it to the youngest child.
