One is that the material advancement resulting Ghazi cannot reform his citizens therefrom. Now his campaign has out of their expensive custom of staging huge demonstrations of Turkish government. welcome whenever he leaves Angora. Constantinople, for instance, has been in the habit of spending | Turkish cabinet to visit the United hundreds of thousands of liras every summer to string the Bosphor- of the hygiene minister's return. us with electric lights, erect doz- the Americanizing deputy goes on ens of triumphal arches and in- to say: dulge in other extravagant fal-dedals to adorn herself for the great

man's coming. Now, with hard times pinching the people after three successive years of drought and crop failures, the Ghazi, it is reported, wishes no extravagant receptions staged for him, and the only way he can prevent these demonstrations is to stay at home. Another reason suggested for his determination to eschew the

cool breezes of the Bosphorus, is

his desire to prove by personal ex-

ample that the town which he has

made into the nation's capital is

habitable all the year round, not-

withstanding the usual speedy ex-

odus during the summer of foreigners and Turks alike. All Quiet on the Western Front

"The religion of Americanism

to South America that Falih Rifki throughout Europe, first began No reasons were given official- his campaign for Americanism.

> become the campaign of the The recent voyage of Rebik Bey, the first member of the States, is a case in point. Writing

"America is a country which instead of discouraging with its own tremendous development men of backward nations, gives them a sudden awakening and a great hope. A European century is an American year. With money and with method these Americans have triumphed over time. Increased production will give us the money, and from America we

must learn the method." The Americanization of Turkish mentality means that the United States will replace France as the predominant foreign cultural influence France was the first Christian power to send an ambasador to the Ottoman empire, and this early intimacy dating back to the reigns of Francis I. and the Sultan Suleiman the Magnificent in the 16th century was developed continually. French has been the foster-mother tongue of all educated Turks, French literature and art have served as models for Turkish writers and artists and French styles in dress

and cookery have been predom-The official voice which now cries down these influences of the past has drowned another less potent cry of a lesser deputyeditor, Nedimeddine Sadik, who has been citing in his organ "Akscham" the perils of the Americanism whose advent Falih Rifki

Bey is heralding. "The free penetration across our borders of the Ameriacn virus," Sadik Bey writes, "is replacing traditional Turkish virtue with a get-rich-quick-at - any - price mentality. Our schools must combat this peril by emphasizing the lives of great and simple men to whom the mind was everything and material wealth nothing. We must show our children the comparative value of the life of an American millionaire, and the life of a Socrates, a Pasteur, an

Amundsen " But Sadik Bey's is only a small voice. The Turkish government has voted on the side of the millionaire.
