

Chemawa Indians Show Strength to Defeat Irishmen 21 to 0

Salem Senators on Warpath in Today's Game with Mount Scott Team

Portland Team Crushed By Galloping Redskins in One-Sided Gridiron Meet

CHEMAWA, Sept. 28.—(Special)—The Chemawa Indian school football team exhibited exceptional power in all departments today to defeat the Columbia university high school eleven 21 to 0.

Meachem, Wilder and Smith of the redskins advanced the ball almost at will against the comparatively inexperienced Catholics, and the runners always had ample interference. The deceptive plays taught by Coach R. G. Downie had the visitors off balance constantly, and it was seldom that any Chemawa ball carrier was touched by a tackler's hand before he crossed the scrimmage line.

On defense, the Indian line was almost impregnable, especially noteworthy work being done by the ends, Miller and Alexander, and by the tackles, McKay and Jones. The visitors did not make a single first down.

The first quarter was scoreless, although the Indians had already established their superiority by totting the ball from midfield after Columbia's first kick, to the 20 yard line where they were

REVENGE UPON HARRIS SOUGHT

Howard Maple and Ralph Coleman Added to Local Lineup

"Revenge!" will be the password at Olinger field today when the Salem Senators tackle the Mt. Scott ball team, including Grant Harris, pitcher, for probably the last time this season. Or at least that would be the password if the Senators were given to melodramatic utterance.

It's perfectly safe to say that Frisco Edwards ball players will have their wrecking tools ready for the slightest weakening on the part of Mr. Harris, whom they haven't been able to defeat this season. He isn't unhittable, as they have demonstrated in some of those previous games, but somehow he has always kept them in check with his hits would have meant enough runs to win.

The Senators' hitting strength will be augmented by the presence of Howard Maple, best known as the all-Coast conference quarterback who led Oregon State to its outstanding gridiron victory over New York university, but also a baseball player of recognized ability. He signed up last spring with the Chicago White Sox, but was farmed out to Springfield in the Three Eye league. He usually works behind the bat, but is an all-around player, and Edwards wasn't sure Saturday where he would use him.

Ralph Coleman will do the heaving for the senators today. In times past he has served fast balls and curves to the discomfort of the Senators, proving stinger with hits than Harris has been this year. Today he will be on Salem's side of the battle and is expected to prove as good an ally as he has been an enemy when occasion demanded.

The Mt. Scott management has been apprised of the new strength which Edwards has recruited, and it has been hinted within the past week that the Tigers will bring a

Governor Sends In Names of 3 Commissioners

Governor Patterson Saturday sent to President Hoover the names of E. C. VanPetten, Ontario; F. A. Phillips, Baker, and Judge C. A. Carey of Portland, for his consideration in selecting a commission of five members to study the public land question. Eleven other western states also are recommending three persons for appointment on the commission.

The recommendations are being made in compliance with a resolution adopted at the recent convention of western governors at Salt Lake City. President Hoover's commission will give particular study to the question of returning unappropriated public lands to the states.
