District Meeting Date has Been Changed

The Oregon State Federation of Women's clubs has divided the state into five districts—this being done at the last state convener. Each district is organized save district three which includes nine northwestern counties with Marion included. This district had set its date for organizing for October 8 but according to announcement made Wednesday morning by Mrs. Harry Widmer the date will be October 9, Wednesday, instead of Tuesday, October 8.

It is expected that about 60 delegates will be here for the meeting which will begin with registration at the Salem Woman's clubhouse at 9:30 o'clock. Beginning at 10 o'clock there will be a group of four symposiums conducted by Mrs. L. C. Palmer of Newberg, chairman of the home economics teaching of the American home department of the state organization, who will talk on "official responsibility."

She will be followed by Mrs. Charles N. Bilyeu of Dallas, state recording secretary of the federation and also secretary of the chamber of commerce of Dallas. She will speak on "business methods."

Mrs. Seymour Jones, state chairman of the legislative committee will speak on the topic of "efficient officers," and Mrs. G. M. Glimes of Portland, chairman of the state education department will take as her subject "Public school education."

Commencing at 11:45 Mrs. Sadie Orr Dunbar, past president of the Federation and present chairman of the state institute department, as well as dean of department chairmen in the general Federation of Women's clubs, will preside at a round-table discussion.

At the noon hour there will be a "no-host" luncheon at the Argo and at the Elk's club.

At 1 o'clock Mrs. F. G. Frankel, president of the state Federation of Women's clubs, will give an address, the topic of which has not yet been announced.

Mrs. Sadie Orr Dunbar will follow with an address concerning the "Districting Plan."

The meeting will close with a business session at which the constitution will be adopted and officers will be elected.

A. A. U. W. Will Aid in Ticket Sale

Salem will again be favored with three plays presented by the Mironi Olsen players through the efforts of the Lion club. This year the American Association of University Women will assist the Lions club in getting these plays before the public.

Mrs. Beryl Holt and Mrs. Karl Pess met with the Lions Monday to make arrangements for the first play which will be given November 1 at the Elsinore. This first play is "Twelve Thousand" and Mironi Olsen will be one of the cast. The play is a German drama written by Bruno Frank, and has for its theme the American Revolution.

February 5 the second play "Markropoulos Secret" written by Karl Capek will be presented and May 2 "White Wings" a comedy written by Phillip Barry will be presented.

Department Head Will Inspect Order

Estella M. Weed, department president of Oregon will be in Salem to meet with the Women's Relief Corps for its regular meeting Saturday afternoon at 2 o'clock at Miller's Hall. An official inspection of the corps will be made at this time.

All members are requested to be present and the officers are asked to wear white.

The Home Kitchen

By ALICE LYNN BARRY

1. New England clam chowder is an opaque milky dish, and that is the only true clam chowder. In New York, clam chowder is a clear slightly tomato-colored affair—and that too is the only true clam chowder. It all depends on where you come from whether the dish red before you is the only genuine.

Both are excellent—it's a matter of taste which one prefers. But there is one test of good clam chowder that very few restaurants meet satisfactorily—it should contain plenty of clams. Which is one reason why it pays to make the dish at home although it takes time and trouble and is only one course of a meal. To get the real clam flavor (which is the only reason for preparing this dish) allow half a dozen clams per person. This isn't any too much as they shrink in cooking. However, it's sufficient to have each receive a few actual clams to the naked eye—and ward off any ancient wheezes about discovering a clam unexpectedly.

Either hard or soft clams can be used, and the best chowder is made of both. The hard clams can be cooked a long time—in fact a simmering of an hour will yield a most delicious flavor. One gets the best of hard shell clams by this method.

Also—and most important—clams should be absolutely fresh. They should be scrubbed in plenty of cold water and rinsed many times to make sure that every bit of sand is removed from the shells.

Put clams in a large saucepan and cover with cold water, then bring to a boil. Turn down the flame to a simmer for one hour. Remove

Hutton Clan Hold Sunday Reunion

Members of the Hutton family met Sunday for a family reunion at the old Hutton farm in Evans Valley in Marion county. Here a picnic dinner was spread under giant black walnut trees which had been imported by the Tillman Huttons, original owners of the farm who settled there in 1852.

Under the walnut trees where dinner was so quietly eaten Sunday the story is told of a terrific struggle which took place in those early days when women as well as men had to have unusual courage and strength. A cougar prowled in the yard of the Hutton farm and the Hutton dogs attacked it, but were not strong enough to hold it. Mrs. Hutton took a hand in the fray by killing the cougar for the dogs.

From this hardy pioneer stock came some prominent citizens of Oregon, among them Mrs. Oswald West and Mrs. Ben W. Olcott.

Those who attended the reunion were Mr. and Mrs. Tillman Hutton, Mr. and Mrs. Louis L. Osborne, and three children, Louis Jr., Alene and Betty all of Salem; Mr. and Mrs. Henry Hutton and three children, Julia, Elma, and Billy all of Silverton; Mrs. Linnie Hutton Harbin of Astoria; Mrs. Edith Eisenhart Ellis, Salem; Mrs. Owne D. Hutton and children of Salem; M. and Mrs. Oswald West and daughter, Jean of Portland; Harry R. Hutton of Salem; Mr. and Mrs. Ben W. Olcott, and three sons, Chester W., Richard H. and Gordon W. all of Portland.

MOTHERS now learn value of MAGNESIA

Because it is so helpful in keeping babies and children healthy and happy, every mother should know about Phillips Milk of Magnesia.

This harmless, almost tasteless preparation is most effective in relieving those symptoms of babies and children caused by souring food in the little digestive tract, such as sour-belching, frequent vomiting, feverishness, colic. As a mild laxative, it acts gently, but certainly, to open the little bowels in constipation, colds, children's diseases.

A teaspoonful of Phillips Milk of Magnesia does the work of half a pint of lime water in neutralizing cow's milk for infant feeding, and preventing hard curds. Its many uses for mother and child are fully explained in the interesting book "Useful Information" which will be sent you FREE. Write The Phillips Co., 217 Hudson St., New York, N. Y.

In buying, be sure to get genuine Phillips Milk of Magnesia. Doctors have prescribed it for over 50 years.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Chas. H. Phillips Chemical Co., and its predecessor, Chas. E. Phillips, since 1875.—adv.
