#### mber Music Group Grows Rapidly

It is gratifying to announce that Salem's second to newest venture in the field of music is progressing in a genuinely satisfactory manner. The first recital is scheduled for Monday night, October 14, in the Woman's clubhouse. The program which will be presented at that time is one of unusual interest to those who appreciate the magnificent perfection of stringed instruments.

It is anticipated that the acoustics of the Woman's clubhouse building will be very well adapted to the volume of the chamber music. In addition to that it has attractiveness of appearance which will lend tone to the recital.
