A Sermon for the Week RALLY SERVICES Service Station Parable By L. W. BIDDLE At All Meetings Sunday,

(Pastor of the Castle United Brethern Church)

Text-God shall supply all your needs. Phil. 4:19. Introduction-This is a day of automobiles and service stations. They are to be found in most every part of the world. They effect every phase of life. Signs along the highway direct you to the service stations where assistance, supplies, and shelter may be secured. Human lives, life cars, are in constant need of adjustment, repairs of supplies. Christ's church, wherever it is found, is God's great service station. Both young and old are urged to halt a few minutes amid the busy rush of life and made the needed soul repairs.

I. The church is like a service station in that it gives information to the weary traveler who cries "Which way shall I take for the bright golden span that bridges the waters so safely for man?" The great guide book, the Bible, makes plain the highway of holiness; the trail to the mountain of consecration; the road to the valley of service. Jesus said "I am the way, follow me."

II. Again, the church provides repairs for those who have broken hearts and feelings and to those who come pleading "God be merciful to me a sinner." Riding in a car with a flat tire is very uncomfortable; but many people are going through life hitting the chuck holes and ruts with the result that they are giving forth sighs, groans and discords because they have spiritually a flat tire. They need to get in one of God's service stations and be filled with the love of Jesus-the life's journey will be a pleas-

No matter how beautiful the body, if the engine needs repairs, the car is useless. The soul of man is of most vital importance; do not be hitting on only two cylinders. If there is carbon -wrong thoughts, desires, plans and sins-remember David's way: "Wash me and cleanse me, purge me with bysop."

III. The church, like the service station, is the dispenser of supplies. "God shall supply ail your needs according to his riches in glory by Jesus Christ." No matter how nice your car, it will not run without water, oil and gasoline. A like truth applies to the spiritual man; we are like small storage batteries which need to be connected to the great dynamo very often. Keep the first class condition by being faithful to the worship and work of the church. Carry insurance against loss here and hereafter,
