REIMANN QUILTS HUNT CLUB JOB

Shift Puts Douglas McKay In Presidency of Local Group

With the unanimous expression of appreciation and admiration ringing in his ears for the self-sacrificing work and enthusiastic furtherance of the Hunt club organization Rich L. Reimann resigned his position as president of the club in regular meeting Tuesday night at the chamber of commerce. Douglas McKay was unanimously elected to fill the vacancy.

Taking this resignation and the fact that several board members had moved from Salem as an opportunity to correct an oversight in not allowing for a definite fiscal year in the original organization proceedings, a complete reelection of officers and board members was made.

The board members elected Tuesday night to begin the fiscal year for the club, which will be from October 1 to October 1, are Douglas McKay, president; Emil Stolp, first vice president; Miss Alice Brown, second vice president; Mrs. Harold Hughes, social secretary and treasurer; Lee Crawford, secretary; and T. A. Livesley, Miss Beatrice Walton, Mrs. Frank Spears, R. E. Kittredge, A. C. Eoff, and Miss Loreta Ford.

At the request of the members present it was announced by President McKay that Sunday at 2 o'clock there will be a closed party chaise over the West Salem hills and that at 8:30 o'clock Friday night there will be a moonlight ride for those interested. Riders may sign up for either event with Mrs. Hughes.

DECISION REVERSED BY SUPREME COURT

The state supreme court Tuesday reversed its previous opinion in a suit brought by Nina T. Dolan to recover on a health and accident policy from the Continental Casualty company, and ordered the case remanded to the lower court for retrial. The circuit court for Baker county awarded a judgment of approximately \$2100 in favor of the plaintiff. The Continental Casualty company appealed to the supreme court with the result that the decree of the lower court was affirmed.

The previous opinion of the supreme court affirming the decree of the Baker county circuit court was written by Justice McBride on July 30 of this year.

The retrial of the case, as ordered by the supreme court in its opinion handed down today, was based on procedure rather than any error of law in the lower court.

SIR HARRY LAUDER

Sir Harry Lauder, Famed Scotch Singer, to Appear At Fox Elsinore Theatre

The preliminary interest that has been aroused by the announcement that Sir Harry Lauder, the famous singing comedian, and his company of entertainers, are to appear at the Fox Elsinore Monday evening, October 28 is not surprising. Lauder is one of the world's most interesting personalities. He is not only an artist to his finger tips; he is also an individual whom the great of the earth love to honor. His popularity is not confined to Eng-

land, Scotland or the United States, but wherever the English language is spoken or understood Sir Harry is sure of finding friends and appreciative audiences. Recently he has concluded a notable Antipodean tour and everywhere he went he was acclaimed as the world's greatest entertainer. In England he is the friend of royalty and the nobility, as well as of the common people, and in the United States he has been a guest at the White House and has been entertained by some of the country's most representative organizations.

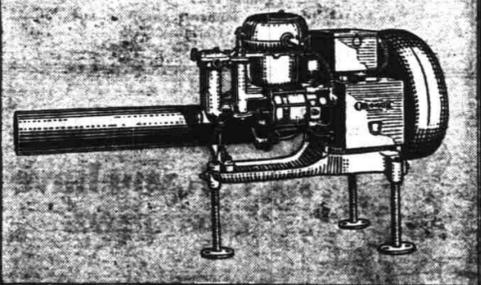

Lauder's confessed mission in life—and his remarkable career proves the truth of it—is to radiate sunshine and friendship through the medium of his songs and homely stories. The theatre where he appears are rarely large enough to hold the crowds that want to hear him.

Since his last appearance in the United States, Sir Harry has written a number of new songs, and several of those that made pronounced hits in London and the Far East will be presented here. With these there will be a revival of some of the most popular of the old songs.

The coming of Sir Harry Lauder will be one of the most interesting of the season's amusement events.

AUTO TRUCKS CAUSE SUITS

Actions Are Now Pending in Circuit Court Here; Filings Made

Automobile trucks figure in two cases pending in the circuit court. In the case of Cady Motor company vs. G. C. Dixon the defendant has made reply that he purchased a truck from one C. G. Burton on Burton's representation that the truck was in good mechanical condition. Dixon alleges that he soon found the truck was not in good shape, the clutch slipped and the radiator leaked. He sought Burton and they agreed to call the deal off and void the notes and chattel mortgage given for \$1000 on the deal. Burton however assigned the notes and mortgage to the Cady Motor company which is suing on them. The defendant seeks judgment in his favor rendering null the notes and claim of plaintiff.

In another truck case E. A. Woodman seeks judgment on a lien on a Graham brothers truck from Bonesteel Motor company. The truck passed through a number of hands in Lincoln county while the title remained with Bonesteel Motor Co. which recently sued and recovered possession of the truck from Woodman. New Woodman alleges he spent \$189.53 at one time and \$150 at another time on repairs to the truck. He filed a lien on the truck for the repairs and now seeks recovery thereon.

Other filings in circuit court include: Willis Caldwell vs. S. S. Montague, at a stockholders meeting; Universal Construction company, defendant; suit in foreclosure of tax liens for \$109.44. State Savings and Loan association vs. Edward Kloessen, et al., suit seeking foreclosure of mortgage note for \$2922.28.

A. and Melburn Davis defendants file reply denying that the engaged plaintiff to render legal services on their behalf.

In the case of Inez D. Carpenter, et al. vs. Amelia Cooley et al. Judge McMahan ordered the sale of property and appointed Chas. L. Ogle referee to conduct sale and distribute the proceeds. Sale of real estate was ordered in the case of J. L. and Edith Haller vs. H. C. and Sophia M.
