SILVERTON, Oct. 19 .- M. L. ingram was elected president and E. B. Kottek, Jr., secretary-treasurer of the Silverton Rifle club which completed organization here Friday evening.

Much enthusiasm is being shown about the club and some vey good marksmanship has been displayed. At present the club is working for the selection of ten men for a team to affiliate with the National Rifle association. The club will meet every second Friday, making the next meeting night on November 1st. At this meeting two prizes will be offered for women and three for men. The officers are urging everyone interested in shooting to come out. Membership dues are but a dollar a year and membership gives the privilege f securing the ammunition at cost. The range of the National Guard is used at the armory.

At the Friday night shoot Roy Davenport made a hundred per cent score. M. L. Ingram made a 49 out of a possible 50 with Claude Skeels making 48. Any number of 45 and 46 scores were made by members.

In the women's division Mrs. Roy Davenport topped the mark with a 28 out of a possible 50, Mrs. E. B. Kottek, Jr., following close with a 27. Mrs. Milton Hedges came in with a 24. While the women's scores seemed low this was the first time most of them had shot at targets with to furnish to this community. He rifles.
