CHICAGO GRAIN OHICAGO, Oct. 21.—(Al').—Sudden gains for wheat values today notwithstanding that earlier market outdid the season's bottom price record. Buying orders credited to sources northwest, to-gether with increasingly adverse wheat crop reports from Argentina were largely responsible for the raily. Besides, 229,000 bushels increase of the United States wheat visible supply total today con-trasted strongly with 5,124,000 bushels increase at this time a year ago. Closing quotations of wheat were firm, %c to 1 8-5c per buthel higher than Sat. urday's finish. Corn closed a de to 1 % @ 1 5-8e advanced and oats 3-8c to 1 % @ 5-8e up, and provisions unchanged to 15e down.
