DIAMOND DYES are the finest dyes you can buy. They are made to give you real service. They contain the very highest quality anilines that can be produced. It's the quality of the anilines in Diamond Dyes that give such soft, bright, new-looking colors; that make

them go on so evenly—without spot-ting or streaking; that enable them to keep their depth and brilliance through wear and washings. Next time you have dyeing to do, try Diamond Dyes. See how easy and simple it is to use them. Then compare results. You will surely agree Diamond Dyes are better dyes. The white package of Diamond Dyes

is the highest quality dye, prepared for general use. It will dye or tint silk, wool, cotton, linen, rayon or any mixture of materials. The blue package is a special dye, for silk and wool only. With it you can dye your valuable articles of silk or wool with results equal to the finest professional work, When you buy-remember this. The blue package dyes silk or wool only. The white package will dye every kind of goods, including silk and wool. Your deale has both packages.
