

TURKEY POOL BEING MADE

Polk and Yamhill Counties Uniting in Organizing Work

DALLAS, Oct. 25 — Turkey raisers of Polk and Yamhill counties are going to be afforded an added opportunity for marketing their birds this fall as a result of arrangements that have been completed whereby a pool will be made up November 5th to be shipped through the Pacific Co-operative Poultry Producers association.

This carload will be loaded and graded at McMinnville and it is hoped that a complete car load of birds will be made up for shipment. Financing of the shipment is being handled largely by banks of McMinnville where they are planning on advancing as high as 50 per cent of the value of the birds when they are weighed in and graded. A second pool is planned for the Christmas market to be shipped about December 5th. County Agents, White of Yamhill county and Beck of Polk county are cooperating in the arranging of this shipment and any turkey raiser who is desirous of entering this pool can secure the details from either of these men.

AMITY HIGH HAVING SUBSCRIPTION DRIVE

AMITY, Oct. 25 — Calhoun Monroe has been chosen manager of the subscription contest which will be conducted in Amity high school during the next two weeks.

High school students endeavor to get subscriptions for magazines published by the Curtis Publishing company. The work is done on a commission basis and the proceeds go to the student body fund.

The student body has been divided into two groups and the group securing the most subscriptions will be entertained by the losers in the contest.

OREGON FILBERTS MORE IN DEMAND

DALLAS, Oct. 25 — Demand for Oregon filberts is increasing and the North Pacific Nut Growers Cooperative is expanding the markets to other states. The demand has been so heavy this year that the cooperative association has orders for more nuts than they have poundage.

Quite a few Polk county walnut and filbert growers are already members of this association and Ira Powell, president of the First National bank of Monmouth, is a member of the board of directors. Because of the active demand for

the filberts the association has let it be known that they are glad to accept members even at this late date.

County Agent J. R. Beck has just been in receipt of a letter from W. H. Bentley, manager of the association, stating that they will be glad to have growers get in touch with him in regard to membership. For detailed information concerning the operation of the association, interested growers can either call on Mr. Bentley in his office at Dundas or on Mr. Powell at Monmouth. There is a local unit of the association in Dallas which is operated by E. J. Himes.

DALLAS WILL HAVE GOOD MAIL SERVICE

S. P. Officials Promise Improvement in Service By November 1

DALLAS, Oct. 25 — Assurance have been received from officials of the Southern Pacific company that better mail service for Dallas will go into effect about November 1, this announcement was made at a meeting of the directors of the Chamber of Commerce Wednesday noon. Arrangements will be made for an early morning dispatch into Dallas, that will be distributed by 8 o'clock. An evening dispatch will leave between 7 and 7:30 p.m. Both of these changes have been requested by the business men of Dallas.

Jack Eakin and Earl Hibbard representing the American Legion, Lelf Finseth as mayor of Dallas, and J. R. Allgood from the chamber of commerce and Rev. O. D. Peterson of the Kiwanis club will make up a committee to have tentative plans for the proposed airfield site or feasibility of one for Dallas ready to submit when E. H. Wait of the aeronautics branch of the department of commerce comes to Dallas on a tour of inspection within the next few weeks. All were present at the Wednesday meeting with the exception of Rev. Peterson.

The proposal of the Roseburg Chamber of Commerce that all communities in Oregon join with them in petitioning congress for the establishment of the next national soldiers home at Roseburg, where a state home is already maintained, was endorsed by the directors.

The vote of the organization was against the plan of calendar reform as submitted in a referendum by the chamber of commerce of the United States.

GANGSTER SENTENCED
CHICAGO, Oct. 25 — (AP) — (Friday) — "Wee Willie" Doody was convicted today by a jury for the murder last May of Chief of Police Charles Levy of Brevy and his punishment fixed at death. The verdict was returned at 12:55 a.m.

FALLING TREE KILLS MAN
PORTLAND, Ore., Oct. 25. — (AP) — Crushed beneath a tree he had felled, the body of John Leahy, 66, was found on his farm near here today by his widow, Kate.
