

Resignation Given Church Council Group

Rev. Nori Sue presented his resignation to the Church Council conference which met at Jason Lee church Thursday for its regular fall meeting. The Japanese committee which has the direction the Japanese work in the Lake Labish districts is making preparations to fill the vacancy made by this resignation. Mrs. Melvin Johnson is chairman of this committee and Mrs. W. W. Emmons is her assistant.

Another outstanding action taken at this meeting was the request for pledges of money with which to purchase a lot upon which will be built a church for the Japanese folk of the Lake Lamish district. The lot will be located in the Labish district. Pledges to the amount of about \$250 was given within a very short time after the request was made.

The program for the afternoon following the business meeting of the morning session and the delightful lunch served by the Jason Lee women at noon, was given by the members of the Calvary Baptist church and consisted of musical numbers, a playlet and a book review of "Stewardship for Women," reviewed by Mrs. Tay-

There is a custom of the church council to present to the largest group present a membership flag. The flag for the Thursday meeting went to the Calvary Baptist church which had nearly 100 per cent membership present.

Membership attendance was the best and interest the highest in the Thursday meeting of any Needlework Guild of American meeting of recent years. The church was completely filled.

The next hostess group will be the First Evangelical church isted in Dallas for 20 years and which will entertain some time in is one of the few in the state out-February. Episcopal Meet is **Decided Success**

The all-day meeting of the central deanery of the women's auxiliary of the Episcopalian church held in Salem Thursday was voted a success, both from points of interest, accomplishment and attendance. About 60 women from valley towns were in attendance, as were also a group of special guests. Mrs. U. G. Shipley, preident of the central deanery, was in charge of the sessions.

Learn this vital truth about sugar

Women cooking authorities show three astounding results of sugar in cooking vegetables

EVERY woman today wants every member of her family to eat more vegetable foods. She knows they are teeming with vitamins and that they are invaluable for roughage and mineral salts. Now women cooking experts have rediscovered the old secret of adding a dash of sugar to the vegetables while they are cooking

(preferably in little water). These women authorities point out that the dash of sugar does three things. 1. Makes "store" or wilted vegetables taste fresher. 2. Improves the pleasing colors of the vegetables. 3. Develops, accents and points up the delicate appetizing vegetable flavors.

It must be borne in mind that the correct dash of sugar does not in any sense make the vegetables taste sweet. This is not the

purpose of using the sugar. Physicians and health authorities urge women to see that every member of their family eats regularly of varied balanced foods. Yet every woman knows that it is impossible to force the eating of tasteless, unpalatable foods regardless of how healthful they may be. Remember the secret of a dash of sugar in making cereals, milk desserts, fresh and cooked fruits, beneficial vegetable dishes, and many meats so delicious that they will be irresistible. And for dessert-a bit of sweet makes the meal complete. The Sugar Institute.
