

LIBERTY SCHOOL GOING STRONG

School Now Has Enrollment
Of 156 and Five Teach-
ers Employed

LIBERTY, October 31.—The Liberty school has a much larger enrollment this year than it has had in any previous years. At present there are 156 pupils enrolled. The enrollment has been somewhat increased by the consolidation with Rosedale. However, there has been a large number of new families moved into the neighborhood, and this has greatly increased the school enrollment.

The congested condition of the school has necessitated the employing of a fifth grade teacher to relieve the primary room. The new teacher will be Mrs. Vera B. Ingham, wife of the principal, Frank Ingham. Mrs. Ingham will have charge of the second grade and will conduct her classes in the community hall, since there is no room in the school building.

There are two other new teachers at Liberty this year; Frank Ingham, the new principal, who has charge of the seventh and eighth grades, and Mrs. Emily Van Santen who has charge of the first grade. The other two teachers were at Liberty last year and are: Mrs. Jessie Rains, who has the third and fourth grades and Mrs. Clara H. Rees who has the fifth and sixth grades.

This year the Liberty school is doing departmental work with the

art, music, penmanship and physical education. Mrs. Rees is teaching art, Mrs. Rains penmanship, Mrs. Van Santen, music and Mr. Ingham physical education.

This is the first time in many years that there is no ninth grade at Liberty. On account of the children having the privilege of transportation into Salem, they chose to take advantage of the junior high schools in town.

The pupils in Mrs. Rees' room have organized a club for debate work. They have not yet selected a name but have elected the following officers:

President, Florence Copley; vice-president, Alice Cunningham; secretary, Lester Browning.

The president has appointed the following committees:

Committee for name, Rosa Kittson, Lucille Brundage, Opal Baldwin.

Program committee, Howard Raynor, Paul Burger, Alice Cunningham.

Constitution committee, Lester Browning, Fred Murhammer and Elbert Jones.

The pupils in Mrs. Van Santen's room are publishing a little newspaper which is very interesting. This paper will be published once a month.

The Liberty school has a fine new flag which was presented by John Dasch, a member of the school board. The pupils and teachers are very grateful to Mr. Dasch for his generosity.

The school board has done much to put the school in first class condition. Before school began they had the entire building thoroughly cleaned, so that when the pupils and teachers returned they were greeted with a spotlessly clean building. The board has also devoted much of their time endeavoring to help relieve the congested condition of the school.
