Just Received a New Shipment of Allen's Parlor Furnaces

Fins ALLEN'S heat radiating fins add 100% to the heating surfaces. They strengthen the castings, increase heating efficiency and save fuel. Only in ALLEN'S do you get the great advantages of this improved

construction.

Brings Summer Sunshine into Your Home!

"Flowers will grow and bloom all winter in a home heated by an ALLEN Parlor Furnace." These and similar words of praise come from thousands of satisfied ALLEN users in all sections of the country-many here in your own neighborhood.

ALLEN'S heats every room by nature's method of circulating clean, healthful, moist warm air throughout the whole house. It requires no cellar -is quickly placed in a room or hall without installation expense. Burns any kind of fuel and saves 1/3 to 1/2. The beautiful walnut porcelain enamel finish is easily cleaned and polished.

For efficiency, economy, bcauty, no other furnace equals ALLEN'S. Come in-judge for yourself.
