The Willamette university footpossible, avoiding any chance of injury to his regulars which might weaken the team for the Whitman game Thanksgiving day at Walla Walla.

Coach Keene isn't underrating the Albany eleven either, but has simply decided that he would rather risk a defeat at Albany's hands than have any of his regulars hurt. As a result, Erickson, Gretsch, Cranor and French will not get into the game at all, and the few regulars who do start will be yanked out as soon as it's at all possible. Lang may start at fullback, but Deetz probably will play most of the game.

ALBANY, Nov. 14 .- (Special) -That Albany college may turn the dope bucket over and spill everything in its game with Willamette university here Friday is the hope of not only the players and the college, but of many Albany football fans.

Willamette has a strong chance for the Northwestern conference title, and to date has not been scored on by a conference team. While Albany is not a member of the conference it would be greatly to the credit of the Pirates to cross a goal line that Pacific university, Linfield and College of Idaho have failed to attain, and cial)-After losing to Indepenbany plans to do.

Steers kicked the goals that scored Oregon's points, but it was largely Huntington's line plunging that put the Lemon-Yellow in position for them.

Eugene, Nov. 14 .- (Special)-The Oregon frosh football team will attempt a comeback when it meets the rooks in the second of a two-game series at Corvallis Friday. The first game played at Medford last Saturday went to the Beaver yearlings, 7 to 6.

The loss in southern Oregon was the first defeat for Prink Callison, frosh coach, in six years Callison had outstanding success while coaching at Medford high school, which last year was declared champion of the state.

OREGON STATE COLLEGE, Corvallis, Nov. 14 .- (Special)-The second freshman champion ship football game between the Oregon Frosh and the O. S. C. Rooks to be played on Bell field Friday, November 15, will be broadcast over the college sta-
