

Pat Dundee and Art Akers Await Gong for Tonight's Melee

BOTH FIGHTERS' RECORDS CLEAR

Neither Man Yet Defeated in Local Bout; Complete Card Arranged

TONIGHT'S FIGHT CARD
Main event—Pat Dundee, 189, Salem, vs. Art Akers, 138, Salem; ten rounds.
Semi final—Oklahoma Kid Summers, 166, West Salem, vs. Cliff Wetzel, 169, Jefferson; six rounds.
Special—Ray Mochler, 138, Salem, vs. Bill Getty, 138, Salem; four rounds.
Special—Bernard Kuhn, 120, Salem, vs. Ward Graham, 120, Salem; four rounds.
Preliminary—Tom Sharkey, 100, West Salem, vs. Jim Jeffries, 100, West Salem; four rounds.
Time—8:30 sharp. Place—armory. Referee—Ralph Gruman.

For the first time since Teddy Fox put the skids under Phil Bayes a year ago, Salem fight fans will be treated tonight to a main event featuring two local men who are undefeated in their weight division in this vicinity and have been beating all opponents brought in to meet them. Championship of Salem at stake in fight.

These lads are Pat Dundee and Art Akers. It's true that Dundee and Jack Kentworth fought a main event here recently, but Kentworth was no longer an actual resident of Salem, and moreover he had lost a few fights here to outsiders.

The way the thing is lined up, much is at stake for both of the principals in tonight's main event, because the winner is certain to draw most of the local following his way. It is unnecessary to add that each will go the limit to win.

It's necessary for Dundee to make 142 pounds or forfeit his guarantee, but reports Tuesday to add that he would come in at about 139. Akers will not weigh more than two pounds less than that. Both pronounced themselves in perfect condition Tuesday night, so there can't be any alibis.

The card for tonight was completed Tuesday afternoon when Matchmaker Harry Plant signed up the two famous heavyweights, Tom Sharkey and Jim Jeffries, who will fight for the world's championship of West Salem in the four round preliminary. Each weighs approximately 100 pounds.

Much interest was aroused in one of the special events when it was announced that the participants would be Bill Getty and Ray Mochler, who put on a torrid Thursday night. The principals in the other special will be Bernard Kuhn, well known to local fans, and Ward Graham, cousin of Eddie Graham.

Ralph Gruman, prominent Portland arbitrator who has recently invaded the promoting field, will be the referee tonight, Tom Louitt being called to Seattle today.

TURKEY SHOOT GOOD

SILVERTON, November 19.—The turkey shoot held Sunday under the auspices of the local post of the American Legion proved to be highly successful both from a financial and amusement standpoint. The exact returns have not as yet been compiled. However all the birds were gone and the committee had to send out for more before the day was over.

Boy to Woodburn Folk—Mr. and Mrs. Y. J. E. Ereaux of Woodburn are parents of an eight and a half pound boy, born Sunday at the Bungalow maternity home here.

Enters Hospital Here—Mrs. Ralph Green of Monmouth, daughter of Mrs. W. H. Cochran of this city, Tuesday afternoon entered a local hospital for treatment.

Case Defaulted—The circuit court case of F. M. Shepherd against J. B. Cummings was ordered defaulted, an order to that effect having been filed in the county clerk's office Tuesday.

Boy to Fishback—Mr. and Mrs. William M. Fishback are parents of a baby boy, named John LeRoy, who was born at the home at 989 Market street, November 9.

Girl to LaChapelles—Mr. and Mrs. Irvin A. LaChapelle are parents of a baby girl born Saturday at the home on route eight. The baby has been named Helen Tirzah.

Bankruptcy Asked—Joe L. Warner of Salem has filed a voluntary petition in bankruptcy in the federal court in Portland. Liabilities are listed at \$538.97 with no assets.

H-Y to Meet—The H-Y club will meet tonight at 8:30 o'clock at the Y. M. C. A.

CURT COMMENTS BY CURTIS

Pat Dundee is our choice to win tonight's main event, and Wetzel for the semi final. We hate to do this to Pat, who has never done us any wrong, but then neither has Art Akers.

It is a mean trick, because we haven't picked a main event winner on a local card since so far back that we can't remember.

Speaking of the Akers family, Tom Akers, who is no relation to Art, is now sports editing on a Salem paper. Poor Tom. Knowing how he hates to look at football since it was spoiled by putting in the forward pass, we wonder that he accepted a job where he had to do it.

There is a man named Art Akers writing stories about the call's folk down south for the magazines, but probably that isn't our Art. Founding a typewriter with boxing gloves doesn't go so good, though it's easier than picking up one's teeth with them.

The national bridge tournament opens today. We pick the Statesman to finish higher in the list than the Capital Journal.

GIRLS OF WOODBURN PLAY HOCKEY TILTS

WOODBURN, Nov. 19.—(Special)—The girls' hockey games have been played off at Woodburn high school, determining the winners in the second event in inter-class rivalry.

The sophomores were first; seniors, second; freshmen, third, and juniors, fourth. The games were played on the Woodburn ball park during the sixth periods last week and the week before because of football practice on the home field.

Many of the students went to the park to attend the games, the first one being between the freshmen and sophomores, resulting in a 2-0 victory for the sophomores. Eva Hutchinson and Zona Schwab scored for the winners.

The second game was between the freshmen and the seniors and the lower classes were again victorious, 3-0, Adella Strouse and Margaret Rich being the scorers.

The third game was between the freshmen and the juniors in which the freshmen played a fast, hard game, winning by the individual scores of Beulah Thompson and Ursula Moshberger, 2-0.

The sophomores played the juniors for the fourth game and won 2-0. This time two different girls scored, Hazel Hastie and Valda Livingston.

The fifth game was between the

DEADLY RIVALS CLASH FRIDAY

Silverton and Woodburn to Meet on Gridiron for Annual Game

SILVERTON, Nov. 19.—(Special)—Silverton high school will meet its historic rival, Woodburn, in outstanding game of the season here Friday afternoon and the city of Silverton is showing almost as much, if not more, enthusiasm and interest than it did last week for the Oregon State college and University of Oregon game. The same feeling of rivalry exists between these two high school teams as there does between the two college teams. Silverton feels slightly crippled in the loss of one of her big men, Joe Lytle, a letterman of some years standing. However, no pregame dope prediction seem to have any effect on the result of the games between these two schools. They are always a fight from start to finish and often it would seem that the spirit of the players rather than the "Who's Who" wins this game.

Thursday night a big bonfire will be staged and Friday the high school students will hold a big rally and surptentine. Whether or not the local business houses will be closed as in former years is not yet known. It is known that should they not close their force will be as small as business will permit.

WOODBURN, Nov. 19.—(Special)—Woodburn will face its old rival, Silverton, on Silverton's field next Friday minus the aid of Gribble, one of the stars in the Woodburn lineup who was seriously hurt in the game with Newberg last Friday.

During the last play in the game, Gribble had the misfortune

to have his knee thrown out of place and injured so badly that it is doubtful if he will be able to go out for any more athletics this year. This was the reappearance of an old trouble which everyone had thought healed and which has bothered Gribble quite a bit this year.

Nevertheless, Coach Wolf is getting the rest of his squad into trim and has cut out the third and fourth teams in order that he may give more individual training to those who will be apt to play in the last game of the season. Black, at guard, and Nehl, quarterback, are back in practice after minor injuries which kept them from playing against Newberg.

The lineup for the annual clash with Silverton will be chosen from the following squad: center, A. Schooler and Hastie; guards, Dirksen, Scott, Black and Barstad; tackles, Lemcke, Baldwin, F. Bartos; ends, H. Gearin, C. Bartos, Gillanders, Klamp, Tyler; half backs, L. Schooler, H. Gustafsen, Wilson; full back, Radcliffe and Oberst; quarterback, Nehl, L. Gearin, H. Schooler.
