

# Positively the Very Best Buys This Season in Salem

Don't forget the date—One Day Only—Thursday, November 21, at Salem. All-Valley day will go down as a banner occasion in every part of the central Willamette valley, for through this cooperative plan merchants have made possible bargains never before seen in Salem. Stores in large cities have their great extra-special merchandise events, but in

a smaller community each store has its own sale and pools its bargains with every other merchant. The result is a day of genuine great values for every person. Yet each merchant profits for he draws new trade and demonstrates to these customers the value of shopping in Salem. Each merchant invites you cordially to come to this All-County Day.
