

Announcing a Host of Bargains at ALL-VALLEY DAY

The newspapers of Salem are pleased to present to the people of Marion, Yamhill, Clackamas, Polk, Benton and Linn counties an All-Valley Bargain Day. There is nothing mysterious about the idea. Each merchant, for one day only, offers you extra special values—many times cost price is disregarded. One merchant cannot make such a sale as this successful but with scores of merchants participating you get more than 100 articles at great savings.

Remember, please, that these values hold for one day only—Thursday, November 21, 1929. Watch windows for displays. There will be sufficient quantities in all articles but early shopping will help you avoid the rush. YOU CANNOT AFFORD NOT TO ATTEND ALL-VALLEY DAY THURSDAY.
