

# LIBERTY PLANS DINNER MEET

### Liberty and Rosedale Communities Join in Thanksgiving Program

LIBERTY, Nov. 20.—The people of the Liberty and Rosedale communities will have a pot-luck dinner at the Liberty Community hall Friday evening, November 22, at six-thirty o'clock. This will be a community Thanksgiving dinner and all families in the Liberty and Rosedale districts are cordially invited. A good time is assured as a number of interesting features are being planned.

Those who attend are asked to bring some of the following: vegetable salad, meat loaf, bread and butter sandwiches, pie, scalloped potatoes, cranberry sauce, pickles, jelly.

Everyone is also requested to bring their own silverware.

The pupils in Mr. Ingham's room have organized a club. The following officers were elected: president, Stanley Neuens; vice president, Alexander Potter; secretary, Verda Rains; judge, Carl Coffey; reporter, Dorothy Salladay.

The president appointed the following committees:

Name Committee—Wilma Wasthouse, Helen Tucker, Hazel Cornstalk.

Entertainment Committee: Ruby Eshleman, Gertrude Valentine, Dorothy Salladay, Constance Stark, Adelaide Winslow.

Constitution Committee: Esther Cammack, Margaret Chamber, Helen Tucker, Lillian Davis, Catherine Dallas.

The club is to meet twice a month on the first and third Friday. The next meeting will be November 22nd.

The pupils in Mrs. Rees' room have selected the name "Demosthenes" for their club. They chose this name because Demosthenes was a great Greek orator who had to overcome many obstacles before he became a successful speaker. Since the club was organized chiefly for debate and speaking, it was decided that "Demosthenes" would be a very appropriate name.

It was decided to elect a sergeant-at-arms. Melvin Cleveland and John Williams both tied for the office. It was finally decided to elect both of them, Melvin Cleveland for the fifth grade and John Williams for the sixth grade.

The club will hold its regular meetings on the first and third Fridays of each month.

The weekly assemblies at the Liberty school are proving very interesting. Each room takes turns at putting on a program. Last Friday morning, Mrs. Van Santen's room furnished the entertainment. The little folk demonstrated their rhythm band and were much applauded by the other pupils.

Next Friday morning, Mrs. Rains' room will furnish the program. Parents and patrons of the district are cordially invited to attend these assemblies which are held in the Community hall every Friday morning at nine o'clock.

Mr. and Mrs. Raymond Cleveland had as their week-end guests, Mrs. Cleveland's grandmother, Mrs. W. J. Wright of Mount Shasta, California, and her aunt Mrs. Della Blaco of Newport. Mrs. Wright is leaving for her home in Mount Shasta this week and will be accompanied by her daughter, Mrs. Blaco.

Mr. and Mrs. Davis Rees, Reginald Rees and Mrs. Laura B. Harwick motored to Newberg Saturday evening to spend the week end with Mrs. Rees' uncle and aunt, Mr. and Mrs. Frank Keyes.

# WOODBURN COUNCIL NAMES OFFICERS

WOODBURN, Nov. 20.—The election of city officers was held at the regular meeting of the city council in the city hall Tuesday night.

Dave Jackson's resignation as fire chief was accepted and the nomination for that office was held on the table until the next meeting in order that more time might be given over to considering an efficient man for the position. John Muir was re-elected street commissioner and E. N. Soules will again serve as water superintendent. Blaine G. McCord was re-elected city attorney and the council confirmed the appointment of Ted Neel for city marshal. The group elected George Beach as president of the council to serve as mayor in the absence of that gentleman from the meetings.

City recorder Blaine McCord presented the facts to be considered in amending the city ordinance in reference to the signs which business men hang in front of their establishments. The council specified that they should be between 10 and 14 feet high and extend not more than 8 feet over the sidewalk. All signs should be substantial in every respect and the council will deem the controlling privilege over the signs and have the power to order any sign taken down if it becomes dangerous or is in any way objectional.

Recorder Beebe read a communication from the University of Oregon requesting that they might have a copy of the city charter and ordinances to be placed in their municipal references department. The council moved that if they wished to send someone here to copy the material or if they wished to pay a typist to do the work, they were entirely welcome to the requested information.

We print letter heads, business cards, posters, signs, booklets, almost anything in our job shop. Call 500 for prices.

# FREE TO ASTHMA SUFFERERS

Free Trial of Method That Anyone Can Use Without Discomfort or Loss of Time

We have a method for the control of Asthma, and we want you to try it at our expense. # OREGON MAGAZINE FEATURES SILVERTON

November Issue Tells of Commercial and Educational Features

SILVERTON, November 20.—The Silvertown number of the Oregon Magazine (November issue) has appeared on the news stands and is attracting much attention locally. Silvertownians are purchasing the magazine not only to send "the folks back east" but also to become better acquainted with the Silvertown country themselves.

The magazine is in itself a very attractive number. It's lemon and green coloring with its cover picture of Silvertown's famous "East Hill View" instantly draws attention.

The first article is "Silvertown Lands Beckon to Farmers." This is written by Hugh Marshall and describes the farming districts around Silvertown in a manner any real estate man would do well to assimilate.

Oscar Loe, a well-known Evans valley farmer, writes on "Diverse Crops from Silvertown Soils." Hugh Marshall and J. J. Doerflinger write short articles on walnut and filbert growing in the Silvertown community. Mr. Marshall also tells of Silvertown's new brooder factory where Lewis T. Robinson manufactures his electric brooders.

Leaving the commercial side and turning to the esthetic educational, the reader finds a charming article written by Flora Frances Hoblitt on "The Spirit of Silvertown's Home Life." Carl Benson, veteran pheasant raiser at Silvertown does not mention Silvertown in his article but writes very entertainingly and instructively on

"Our Growing Scarcity of Game." Mr. Benson cites and explains many causes of depletion of our wild life.

Robert Goetz, superintendent of Silvertown schools, writes on "School Enrollment Depicts Growth," and Mr. Marshall gives, in his article, "Two Votes Saved Oregon to U. S. A.," early settlers in the Silvertown community credit for turning the balance at Champeet when Oregon was voted to the states.

June Drake tells of the many beautiful water falls in the Silver Creek country and Gordon J. Taylor of Molalla writes on the Cascade highway.

The magazine has many beautiful views of Silvertown country besides photographs of her progressive citizens. Many short articles also give interesting bits of information concerning the city's activities and personnel.

# TRUCKS COLLIDE IN FOG AT JEFFERSON

JEFFERSON, Nov. 20.—A truck driven by Harry Wall of Jefferson side-swiped a Damascus milk truck from Turner driven by Clifford Enaley, on one of the small bridges south of Jefferson Friday morning.

On account of the fog and a frosty windshield, Wall, who was driving in the center of the pavement failed to see the milk truck coming from the north. Enaley saw him coming, but on account of the bridge railing couldn't over far enough to avoid a collision.

Wall's truck, being the heavier, did considerable damage to the milk truck. The bed was torn off, and milk cans scattered in all directions. Another truck came from Turner to continue on the route. Wall took the blame for the accident, and assumed the damages.

WASHINGTON, Nov. 20.—(AP)—Several new names entered today into the conjecture as to who will be named to the vacant post of secretary of war, but in some official circles the talk still centered on Patrick J. Jarry, of Oklahoma, now acting secretary.

# WALDO HILLS-FOLK ENJOY MERRY PARTY

WALDO HILLS, Nov. 20.—The Karl Haberly home was the scene of a merry party Saturday night when about 50 friends gathered there to spend the evening. Dancing and cards furnished entertainment, and refreshments were served at midnight.

Mr. and Mrs. Geo. McKay of Condon were guests the latter part of the week at the home of Mr. and Mrs. E. A. Finley. On Saturday Mr. and Mrs. Frank Moore took them to Portland.

A program and pie social will be held at the Evergreen school Friday evening.

Mr. and Mrs. F. E. Sylvester, Mrs. S. J. Comstock and Bob Coffey were dinner guests at the Edson Comstock home Sunday, helping Mr. Comstock celebrate his birthday.

Mr. and Mrs. E. Kellerhals motored to Portland Sunday to spend the day with friends.

The reunion planned by the Willard Women's club for November 21 has been postponed. It was to have been held at the home of Mrs. A. A. Geer for it was this home that was the birthplace of the club, but Mrs. Geer, who is a trained nurse, is still on a case. There will be no meeting until the first Thursday in December when Mrs. E. A. Finley will be hostess.

Mr. and Mrs. A. R. Mathes were dinner guests at the P. W. Neuwanger home Sunday.
