

Quiet Wedding Is Pretty Home Event

A quiet home wedding at high noon Saturday united in marriage Miss Ruth Griffith and John Stump, Jr., of Monmouth at the home of the bride's parents, Dr. and Mrs. L. F. Griffith. Rev. W. C. Kantner read the ceremony.

Just at 12 o'clock Miss Griffith and Mr. Stump came down the stairs into the long living room of the Griffith home and took their places before the fireplace which had been transformed into an attractive altar. Tall, slender baskets gracefully arranged with long stemmed chrysanthemums in shades of mauve and pink stood on either side of the mantel and were effectively arranged about the downstairs room. The mantel shelf and fireplace were banked with ferns. Candelabra set with white wax candles burned on the mantel shelf.

Here at this altar the bridal couple were met by Rev. Kantner and Dr. L. F. Griffith, father of the bride, who gave her in marriage.

Miss Griffith was dressed in a brown transparent velvet made with tiered skirt and long sleeves with eoru lace at the wrists and throat. She wore brown shoes and hose to match, and carried opella roses.

Only the immediate family were present. Immediately following the ceremony a 12-cover breakfast was served and then Mr. and Mrs. John Stump Jr. left for a week's motor trip before taking up their residence at the country home of Mr. Stump, which is near Monmouth.

Mrs. Stump's going away gown was a brown ensemble. Mrs. Stump is a graduate of the University of Oregon and a member of the Kappa Kappa Gamma sorority and the Phi Beta Kappa national honorary fraternity. She has taught in both the Salem high

school and one year in the schools of Honolulu. Mr. Stump is an Oregon State college man and a member of the Kappa Sigma fraternity.

Charlton; Charles Charlton; Mr. Miller; and Mr. and Mrs. Jarvis and children, Ruth, Bud and Wesley.

Winifred Byrd Is Leaving for New York

Miss Winifred Byrd, niece of Judge and Mrs. L. H. McMahan, left for New York City Saturday night after having spent the past few months here in Salem. Miss Byrd was called west by the fatal illness of her father, and has remained in Salem since that time, resting and settling business affairs before returning to New York.

In musical circles Miss Byrd has become nationally known as a concert pianist and it is this which is taking her back to New York rather suddenly. Although she had planned to go soon she was called by her managers to come at once. The time when she will be able to return to Oregon again is not definite.

While here Miss Byrd played two concerts in Salem and others in Portland, Corvallis and in Washington and British Columbia. Most of her time, however, was spent quietly in Salem during the illness of her father and later in resting and getting ready for her professional work upon which she is again entering.

Memorial Service At Elk's Club Today

The annual memorial service held by the Elk's club for departed members will be given at the Temple at 2:30 o'clock this afternoon. The program planned is impressive and beautiful, and will be mostly musical.

One song, "Harmony," by De Riego, which is to be a chorus number by the Schuberts, will be interesting because of the fact that this is the first time it has ever been sung as a chorus number. It was harmonized for the Schuberts by Daniel H. Wilson of Portland.

The address of the afternoon will be given by Glen Fabrick of Medford.

Salem Dakota Club Elects Officers

The Salem Dakota club will meet for its regular meeting at the American Lutheran church Wednesday evening at 8 o'clock for a covered dish dinner. This will be followed by a program. This will be the first meeting for the new officers.

These officers were elected at the last meeting of the club. They are: President, R. A. Blevins; vice president, J. B. Crary; and secretary and treasurer, Mrs. George Gibson.

History Section To Meet Monday

The newest section of the Salem Drama League, the history section, will meet at the public library in the fireplace room at 7:30 o'clock Monday evening. John Clifford is leader of this section.

The ideal seems to be one of keen interest to many folk. There are now 25 who are to become active members and others may come

in who so desire. Oregon history in connection with the history of the whole northwest will be studied first and then this study will be tied in with study of world history.

The section will meet the first and third Mondays of each month.

COMPLETE HOUSE FURNISHING

In the Days of Houston and Crockett

The popular team of Colonel Sam Houston and Davey Crockett are well known throughout the length and breadth of the land... especially so for the little fuss they kicked up at the Alamo. Remember Goliath?

But perhaps a more famous incident in their lives occurred at their homecoming. When asked what they'd like most, they chirped up, "How's for some good doughnuts?"

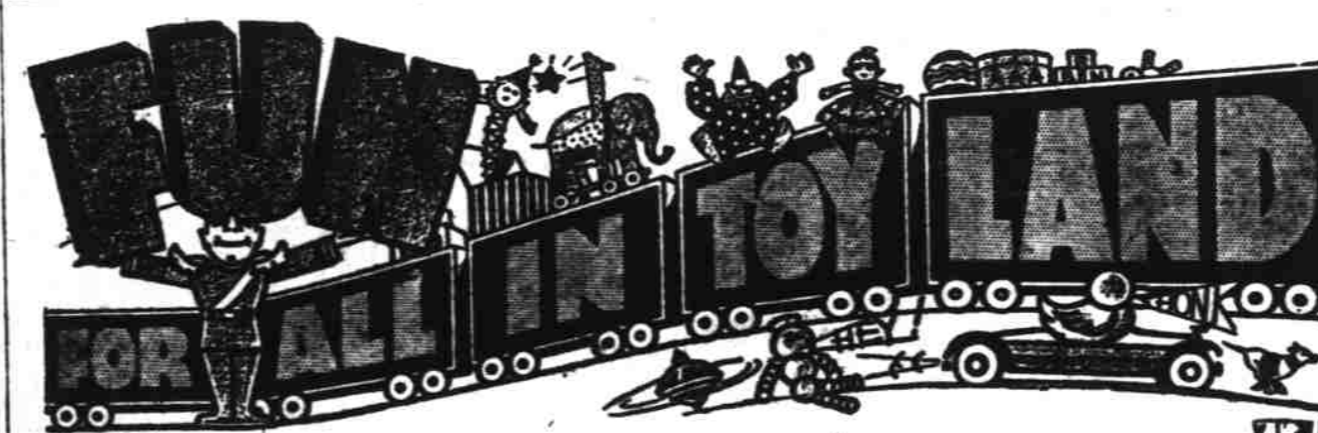

And such doughnuts! Fine as they were able to make in those days... still they "couldn't hold a candle" to the kind we make today.

Want to taste real doughnuts? Want to know how pleasantly nutrition, health and strength can be combined in one delicious food? Want to find a new and distinctive doughnut flavor?
