iums 39@40; fresh pullets 32@34. CHICAGO, Dec. 5-(AP)-Swinging downward to nearly 6 cents a bushel below recent top prices, wheat today gave plane evidence of having been everplane evidence of having been over-bought. The upset in values followed as-sertions by a British authority that the Argentine new crop exportable surplus would be about 50,000,000 bushels in excess of the average of recent unofficial estimates.

Besides a leading Chicago house figures North America alone could ship all the wheat needed by importing countries, and still have on July 1 next a carry over of 200,000,000 bushels regardless of Amenica or other countries.
