Frank Sever Talks To Dallas Club

DALLAS—Frank Sever, director of Americanization work for the state of Oregon, was the speaker at the December meeting of the Dallas woman's club.

Mr. Sever traced the beginning of immigration into this country stating that the early days did not bring any particular problems until after 1880. It was not until he war, however, that the extent to which the foreigners had been living in colonies with no attempt to adopt American ideals was fully revealed.

Outside of a restriction of immigration by the federal government, any way of meeting the problem of education of the foreign born adult must be met by the various states. Oregon took its first step in this in 1925 when an appropriation of \$4000 per annum was made with which to conduct educational classes in English and citizenship. Classes are being carried on in various cities in Oregon, with the largest attendance in Portland.

Mr. Sever stated that California has the best plan as it is part of the department of education, with a compulsory law requiring attendance at night school of all those who have not completed sixth grade work. There are some 43,000 attending these schools in California.

Mr. Sever closed his talk with the request that whenever an American citizen had the opportunity to contact with a foreign born resident to try and interest them in the ideals of American life.

Mrs. H. A. Woods of the building committee reported that Oscar Holmes wished to purchase the lot owned by the club that adjoins his property. The matter was left to the building and executive committee.

Mrs. Charles N. Bilyeu, chairman of the Christmas seal sale, reported that the plans were complete for the sale next week.

Mrs. E. W. Cruson reported for the entertainment committee that over \$75 was collected by the play given recently, and that a dance would be held some time during the month of December.

Mrs. B. Owens of Raymond, Wash., who is visiting her parents, Mr. and Mrs. Vern Smith, sang two vocal numbers accompanied by Mrs. G. P. MacGregor.

The social hour was in charge of Mrs. L. A. Bollman, Mrs. C. L. Crider, Mrs. E. W. Cruson and Mrs. W. L. Pemberton.
