health work in their districts lessened or cut out entirely and that they were anxious to see the work continued and would unite in helping to influence the court to increase its appropriation.

An organized effort to change the court's mind and sposonred by the county health association, will be made through each of the 11 rural health centers, a representative to be appointed from each to work out a plan with the court, if possible, and to persuada the court that each district really Dr. Kleinsorge, Dr. C. R. Wilson, wishes the full health program continued. These representatives will be appointed within the next day or two and will set to work immediately

> "Grundyism" Becomes Byward Among Solons

Almost the first word spoken as Grundy sat down in the midst of the traffic debate on the wool schedule was his own name.

Ray (2) "Grundyism" has become a byword in the senate debate since he told the senate lobby committee what he thought of the actions of the democratic-republican independent coalition in paring down the high protective republican tariff measure.

"This is Mr. Grundy's specific roduct." commented Senator product." Walsh, democrat, Montana, as the

66-year old Pennsylvanian was entering the chamber. "This is the production of wool yarns of a high quality and we really ought to have some information about

Mr. Grundy's industry being depressed by reason of foreign competition before we can assent to this."

Grundy turned his head to notice the speaker, but without expression. A moment later his credentials were presented.

The tariff rate in question went over for future consideration and Grundy, who takes pride in accepting credit for influencing conbefore establishing the health de- all of them and provide adequate gress in favor of a high protective rate, will be on the floor, instead of in the gallery, to wage his cause.

A seat far over in the corner of the republican side was assigned to Grundy and it is just beneath the place in the senate gallery usually occupied by the Penn-

To the end that Love may extend Its Finest Tribute beyond Life

The age-old longing to provide tender, lasting protection to the loved form of one we cherished in life, no longer is a futile thing.

The facilities of the Portland Crematorium and Mausoleum provide them and are available to families in every city in the Pacific Northwest. All arrangements can be made through your local funeral director.

See your own funeral director for details, or write to us for our free brochure that explains it all.

Runstop HOSIERY

Whether you are selecting gifts for a man or a womanyours will be a happy choice if it is Rollins Hosiery. For women, we are showing Runstops in a number of new shades that are especially popular for the winter season. And for men-well, we just can't get them fast enough to keep some styles in stock. Remember, when you select Rollins, you are choosing the kind which style-wise, wear-wise men and women the country over are selecting for themselves.
