

Creamery Rebuilt at Falls City Is Again in Operation

FALLS CITY'S CREAMERY OPEN

Rohrer and Peters Resume Operation of Plant in Polk County

FALLS CITY, Jan. 6 — With Karl Rohrer at the wheel, the first truck load of cream for the Falls City Creamery arrived at the local plant Thursday morning, and is now worked up into high grade Falls City butter. The cream was all obtained locally and was up to the usual high grade of Oregon cream, and by tomorrow will be on the market as butter.

Messrs. Peters and Rohrer have practically rebuilt the local creamery building and now have a modern and efficient plant. While small, it has been planned by them to be convenient and it can easily be added to in case growth makes it necessary—a thing for which everyone in Falls City hopes.

In order to insure a uniform product, all the cream that comes to the plant is pasteurized before being made into butter. This machinery has been put in at the Falls City plant and the local butter will no doubt rank high. Mr. Peters for a number of years was buttermaker at the Dallas creamery and while in that position won a reputation for making high grade butter.

Under the title "A Heart to Heart Talk With Our Patrons" the Falls City Creamery is putting out a little booklet on the care of milk and cream. It gives the reasons for cleanliness and care in taking care of milk from the time it is milked until it is made into butter. Anyone interested can obtain a copy by calling at the creamery or at the Enterprise office.

AUMSVILLE CLUB HAS ALL DAY MEET

AUMSVILLE, Jan. 6 — The Aumsville Community club held an all-day meeting at the school house New Year's day with dinner served at noon and a program in the afternoon and discussion on subjects for the betterment of the community.

L. G. Garnant, of Lachan, Wash., who has been looking after the drug store here since Mr. Johnson's death, came Thursday after spending New Year with relatives in Portland.

Mrs. Margaret Martin, grade teacher entertained at her home New Year's eve the fourth, fifth and sixth grades of which she is the teacher.

Mr. Bell and son, LaMar, returned to their home at Grants Pass Thursday after bringing Gordon Bell to Corvallis, where he is going to school and Helen McCollough to her home after spending the holidays at the Bell home at Grants Pass.

The girls and boys of the school organized a cooking club Friday and expect to be ready to start working next meeting.

The Merrill Garage is installing another gas pump this week.

Claude Boone is improving his property by building a new garage.

The Young People's class of the Bethel Sunday school was entertained at the J. H. Prunk home with a watch party New Year's eve, with 22 present. The evening was spent in playing games with lunch served at a late hour.

Mr. Vanderve of Portland spent the holidays at the Donker home.

Merle Martin returned to Corvallis, Wednesday, where she is attending school this winter, after spending the vacation at home with her parents, Mr. and Mrs. Charles Martin.

WIDOW BY COAST GUARD

Mrs. Dudley A. Brandt, wife of a marine engineer who was killed by machine gun bullets fired from the U. S. Coast Guard patrol boat No. 290 while he was manning a rum running craft laden with liquor in Newport harbor.

Organization of Fruit Pool Will Be Considered

AUBURN, Jan. 6.—At the Auburn school house Friday evening, January 10 at 8 o'clock, a meeting will be held for the purpose of discussing the organization of a fruit pool for the entire Willamette valley.

H. L. Martin, who has assisted in the organization of pools in Canada and elsewhere, states he has seen beneficial results over a period of over 20 years experience, will present his plans.

Prohibition's tenth birthday, Jan. 16, 1930.

Mr. and Mrs. J. F. Thomason are home after spending ten days with relatives in Albany.

John Girardin of Beaverton spent Christmas day with his daughter, Mrs. J. G. Greenlee and family.

The annual telephone meeting will be held Tuesday, Jan. 7 at 10 o'clock at the school auditorium.

Fairview Pupils Win Honors at Boys Exposition

FAIRVIEW, Jan. 6.—Howard and Billy Schon, pupils of Fairview school, received third place on their entries at the Boys' Exposition held at the Y. M. C. A. this week.

Billy entered a bookcase which he made at school and Howard a vase which he also made at school.

Due to so much "flu," the annual New Year's party was not given this year.

BRUSH COLLEGE HELPERS MEET

Dr. W. B. Morse Tells Club Of Needs of Salem General Hospital

BRUSH COLLEGE, Jan. 6 — One of the special features of the regular meeting of the Brush College Helpers when they met Thursday at the home of Mrs. W. F. McCall, was the interesting talk given by Dr. W. B. Morse of Salem.

Dr. Morse took as his subject, "Needs of the Salem Hospital and its Management." Devotionals were led by Mrs. Oliver Whitney, vice-president in the absence of the president, Mrs. A. R. Ewing.

After a general discussion, Mrs. Paul Wallace, Mrs. U. J. Lehman and Mrs. Charles McCarter were appointed as a committee to determine the cost of making screens for the Salem hospital.

Members and guests present were special guest, Dr. W. B. Morse, Mrs. Paul Wallace and her house guest, Miss Edith Schirer Whitney, Mrs. C. L. Blodgett, Miss Mrs. Fred Ewing, Mrs. Ollie Mrs. L. Bonney, Mrs. John Schind-

that COLD Breaks 3 ways—in a day

Don't broadcast a contagious cold. Don't let it undermine health. At the first sniffle or sneeze get quick, pleasant relief.

HILL'S CASCARA-QUININE

INDEPENDENCE HAS A CONTRACT PLAN IN ENGLISH

INDEPENDENCE, Jan. 6 — The senior English class of Independence is adopting a new contract plan for their work.

With this plan a student may choose to get a grade of 1, 2, or 3 and make it by working hard.

Mrs. Pauline Dixon, the instructor, has made 3 contracts and if a student wishes to get a "one" he must comply with all of the rules and do all of the work then he will get a "1" as a final grade.

This plan has been tried before and proved a success.

Good-bye Dandruff! Don't put up with dandruff another minute—now you can just wash it away when you wash your hair!

COMMUNISTS STAGE BIG DEMONSTRATION

WASHINGTON, Jan. 6.—(AP)—Members of the Young Communist League today held their second demonstration in Washington within a month.

The gist of their protest as proclaimed in banners born by the demonstrators was aimed against the "imperialism" of President-elect Ortiz Rubio of Mexico, and President Hoover.

Members of the group who staged the demonstration were recruited from Baltimore and Washington.

Ambassador Tellez of Mexico took no cognizance of the demonstration during the short half hour it lasted.

That Buick of yours...

Give it longer life... smoother running... with an oil that forms no hard carbon

COUNT the Buicks and you know how many satisfied Buick owners there are! Hundreds of thousands... and almost never a complaint.

You don't mind taking care of a car that gives you such service. And here is a point about Buicks that many owners have learned: They buy a motor oil that is more than just a lubricant.

All oils form carbon when they burn. Some leave much less than others... and of a different sort. Shell Motor Oil actually forms only 1/3 to 1/5 as much carbon as even the costliest oils you can buy.

Buicks that use Shell Motor Oil have less carbon trouble. No valves held open to burn and to waste power. No disturbing "carbon knocks." No rapid wear from chafing, grinding carbon chips.

You have a car of wonderful stamina. Give it this equally fine motor oil whenever you fill the crankcase. Such a car deserves protection from hard carbon.

Shell Motor Oil

The proper grade for all Buicks is Shell Motor Oil "C"

Even the costliest oils form more carbon. A sample of this oil, when burned, left more than three times as much as Shell Motor Oil.

An equal sample of Shell Motor Oil left only this small fraction of carbon—and it is soft carbon, not the hard, gritty, damaging kind.

Give it longer life... smoother running... with an oil that forms no hard carbon
