## Statesman Pattern

By ANNE ADAMS  
The model sketched today is charming in its smart interpretation of the mode. The gracefully flared collar is most becoming and the panel effect front creates slender lines that follow into a lovely flared skirt. Buttons are cleverly placed to produce a double-breasted bodice.

Design 1811 may be fashioned of satin, silk crepe, jersey or novelty wool. Shades that are shown for early spring wear include beige, old gold, rose-pink, dahlia, claret and brown. Black, and small prints are very smart, too. May be obtained only in sizes 14, 16, 18, 20, 22, 24, 26, 28 and 30. Size 14 requires 3 3/8 yards of 40 inch material.

Patterns will be delivered upon receipt of fifteen cents in coins carefully wrapped or stamps. Be sure to write plain your name, address, style number and size wanted.  
Book is fifteen cents, but only ten cents when ordered with a pattern. Address all mail and orders to Statesman Pattern Department, 243 West 17th street, New York City.
