Not Provided With Maintenance Funds

Although the 1927 legislature provided means for obtaining funds from the state industria accident commission with which Max Page, was allowed. English to erect the new state office had confessed to embezzlement of building now nearing completion here, no provision was made to take care of the cost of operating imposing sentence was continued and maintaining the structure. Hal E. Hoss, secretary of state, at

a special meeting of the state board of control here Saturday. Hoss informed the board that his court here until January 29 it would be necessary for him to at which time he is slated to try call a special meeting of the state case for Judge L. H. McMahan emergency board to provide this money. The money raised by tax levy at the rate of \$60,000 a year to repay the industrial accident

The attorney general held in an opinion to the secretary of Brown-Motion to alter decree state that money for the upkeep decree regarding disposition of of the new building should come out of the regular appropriation for the maintenance of capitol grounds and buildings. The new office building was not taken into consideration at the time this appropriation was made at the 1929 legislature.

> attorney general's ruling he is required to collect rentals from all fee-receiving state departments regardless of whether they ments regardless of whether they are housed in the new office Eastern Guests building or in some other struc-

The board of control has fixed the rental rate at 7 cents per square foot. This money goes into the state general fund and no provision is made for its expenditure. Until such time as the ac-To Argentina cident commission is fully repaid this money must be used to offset the appropriation for that purpose.

When the new building is paid rentals may be applied toward cutting down the state deficit which now aggregates more than \$1,000,000 a year.

The board of control decided to assign the state tax commission to the lower floor of the present capitol building. This commission is now located on the second good department of commerce floor of the structure. The public service commission will move
