Special Business For D. A. R. Saturday

The Daughters of the American Revolution will meet Saturday for their regular meeting, but a change in plans it will be necessary for the meeting to be held in the auditorium of the public library instead of the lecture room of the Y. M. C. A.

There will be several important things to be brought up at this time and therefore it is requested that as many as possible be present. One of the most important things is the report of the finance committee, headed by Mrs. U. G. Boyer, concerning the budget for this year. Upon this report depends the answer to whether it will be possible to maintain the dues as they are or to raise them. The latter will be a matter of vote Saturday.

The board meeting will begin at 2 o'clock; the business meeting at 2:30 o'clock and the program at 3 o'clock.

The program is in charge of the committee on the correct use of the flag, headed by Mrs. U. G. Shipley. A Mrs. Shipley is in the south, Mrs. Seymour Jones will act in her place. Others on the committee are Mrs. C. B. McCullough, Mrs. J. W. Harrison, Mrs. Frank Newcomb. The second committee helping with the program is the committee on patriotic education headed by Mrs. Ola Clark, and serving with her are Miss Edna Mings, and Mrs. C. L. Crider.

Plans will be made at this meeting for the Colonial tea which is an event of each year for members of the D. A. R. The proceeds of this tea which will be held February 22, will go in total to the scholarship loan fund of the organization.

It is planned that members of the Children of the American Revolution will be present to present part of the program for Saturday.

St. Valentine's Dance Is Auxiliary Plan

The auxiliary to the American Legion made plans at the joint meeting of the legion and auxiliary Tuesday night for a dance to be given at Crystal Garden February 14. Mrs. Chester Moffitt is chairman of the dance committee. The proceeds of this affair is to go to the child welfare committee.

The Tuesday night program and dance, given by the men, was a jolly affair. The program numbers were music and readings. H. H. White and Frank Zinn gave a group of comical musical readings; songs, dances and duets were presented by Bob and Eleanor Brazeau, children of W. Brazeau, who had charge of arranging the program.

Billy De Souza gave a saxophone solo, as did Walter Fugate. Ted Stiff gave banjo solos. Miss Roberta played several accordion numbers, and the American legion auxiliary sang.

Members of the Unitarian church will meet at the church Friday night for a song practice and 5:30 o'clock for supper. Each family is asked to bring a covered dish for the potluck dinner.

The completion of organization plans for the officers and auxiliary of the Gideon order were completed Tuesday night at the home of T. S. Mackenzie on North Church street.

The community club of Hazel Green will have a program which will be in the nature of a "family affair" at the clubhouse Friday night. Each family is to present a number.

Members of the Regents club will enjoy a "no host" luncheon at the Spa at 12:30 o'clock Saturday before the D. A. R. meeting beginning at 2 o'clock in the city library.

TREE TEA

Because it is so helpful in keeping babies and children healthy and happy, every mother should know about Phillips Milk of Magnesia. This harmless, almost tasteless preparation is most effective in relieving those symptoms of babies and children generally caused by souring food in the little digestive tract, such as sour-belching, frequent vomiting, feverishness, colic. As a mild laxative, it acts gently, but certainly, to open the little bowels in constipation, colds, children's diseases.

A teaspoonful of Phillips Milk of Magnesia does the work of half a pint of lime water in neutralizing cow's milk for infant feeding, and preventing hard curds. Its many uses for mother and child are fully explained in the interesting book, "Useful Information." It will be sent you, FREE. Write The Phillips Co., 117 Hudson St., New York, N. Y.

In buying, be sure to get genuine Phillips Milk of Magnesia. Doctors have prescribed it for over 50 years.
