Delphian Society To Be Organized In Salem

Salem is to have a chapter of the national woman's study club, the Delphian society, according to plans which were made public Thursday. Work has been going on concerning his club for some time under the direction of Mrs. Patsy Eaton and Mrs. H. M. Berry. The first meeting will be an organization meeting which will take place Monday afternoon at 2 o'clock in the auditorium room of the city library. There is a strong charter membership list representative of prominent Salem women.

The charter will be presented Monday by Mrs. Lena Latham Goble, national director of the Pacific coast. Officers will be elected at this meeting, and a charter and constitution will be adopted.

Mrs. Goble will explain the various courses as developed by the Delphian plan of study. This society has been organized in the United States since 1908 and has many thousand members over the United States.

Mrs. Lena Latham Goble, national director of Delphian activities for the Pacific coast. She will speak at the organization meeting for the Salem chapter Monday at the city library.

Interesting Program Soon to Be Given

A program which appeals to the music lovers of Salem is that which will be the February recital presented by the McDowell club February 17 at the residence studio of Prof. and Mrs. T. S. Roberts. This program was to have been presented by the Beethoven society of Williamette university, but a change has been made and a quartette, Jean Miller Rahn, contralto; Ethel Marie Gaw, coloratura soprano; Forrest W. Gaw, baritone; and William Wright, tenor, will sing "In a Persian Garden." The Beethoven society will present the March program.

Much enthusiasm is being shown in this selection for the program because of the unusual beautiful fitness of the four voices of the music and words and the for its interpretation.

John McCormack has made famous one of the solos of the arrangement which will be sung by William Wright. The words will be quickly recalled by all and those who have heard the music will be pleased with an opportunity to hear Mr. Wright interpret them.

These are the words to this particular part: "Ah, moon of my delight, that knows no wane, The moon and heav'n is rising once again— How oft hereafter rising shall she look Through this same garden after me—in vain."

St. Monica's Altar Society Meets

Member of St. Monica's Altar society met at St. Joseph's hall Wednesday afternoon and made plans for the coming year's work. One of the activities planned will be a cooked food sale for March 1. A second plan announced was that there would be an attendance prize awarded at each meeting during the year.

Following the business session a program of readings and brief talks were made by Mrs. Michael Lane, Mrs. Joseph Bach, Mrs. A. A. Mickel, Mrs. T. M. Barr, Mrs. J. G. Nadon, president of the club, Miss Kathleen Fitzpatrick, Mrs. Ann Huckestein had charge of the program and Mrs. T. D. McClaine of the refreshment committee.

The menu served following the program meeting was served in Japanese dishes.

Those present were Mrs. Paul Edwards who gave a special part of the program and were the Misses Dorothy Taylor, Joyce Cooke, Margaret Ross, Martha Cumler, Marguerite Clarke, Ruth Armstrong, Agnes Moore, Dorothy Moore, Eileen Moore, Marjell White, Lucille Miles, Mildred Wampler, Edwyna Broadbent, Cecilia Adams, Marie Ledbetter, Elizabeth Weatherall, Frances McMinime, Dolores Maxwell, Mrs. A. Miss Page will continue her preparatory studies here and return to the east next fall, according to plans now, to enter Mt. Holyoke at that time.

Dance Is Postponed

One of the big dances planned among the many for the week of February 22, was that planned by the Junior Guild of St. Paul's church.

Because there are so many conflicting dates for this week it has been thought best to postpone this dance and the date now set for it is April 27.

Many members of Ghemeketa chapter of the D. A. R. will motor to Dallas Saturday afternoon where they will be guests for the second of the three benefits which were planned by the D. A. R. for this spring. The Dallas tea as well as the Colonial tea to be given February 22 will be for the benefit of the scholarship loan fund of the organization.

A group of the friends of Mr. and Mrs. B. A. Amy complimented them with a social evening Tuesday at the J. J. Karst home. This was done as a farewell to the Amys who will soon leave to make their home in Pendleton.

Mrs. George Rodgers is home after having spent several weeks in Seattle with friends.

Independence—Miss Florence Saden and Francis Holt were quietly married at the parsonage of the First Methodist church January 31. The marriage came as a complete surprise to the friends of the couple. Mrs. Holt is a junior in high school and she will continue her work at school. Mr. Holt is engaged in business in Independence.

WHAT'S THE MATTER WITH THIS Cake Recipe?

Cream 1/2 cup butter and add gradually the beaten whites of 5 eggs. Sift 2 1/2 cups flour, 4 teaspoons baking powder and 1/2 teaspoon salt and add alternately with 3/4 cup milk to the first mixture. Beat well and bake in a shallow cake pan for about 40 minutes in a slow oven.

You can readily see that sugar is missing from this cake recipe. To be exact—one and one-half cups. What a failure you'd have if you followed the recipe with this single but important ingredient missing.

Too often we are inclined to leave sugar out of our meals. As a result the food is not palatable. This is true of certain vegetables. Yet you can make them appetizing by adding a dash of sugar in cooking. For example, tomatoes, peas, carrots and spinach taste much better when a pinch of sugar is added. Also many stewed fresh or dried fruits are made more palatable by including sugar.

When nourishing foods are pleasant to the taste, you naturally eat what your system requires. Since sugar adds flavor to such foods why not cultivate the practice of using it as a flavor? No doctor will prescribe against this suggestion. Neither will he object to the serving of simple puddings, cakes and custards for dessert. Good food promotes good health. The Sugar Institute.
