Brilliant Affair To Honor Army Official

The ball and reception planned for February 22 at the armory complimenting Maj. Gen. and Mrs. George A. White will be one of the events of the social year. The affair is being given by the officers of the Salem national guard honoring the recent promotion of their superior from the rank of brigadier general to that of major general.

National guard officers from all over the state will be present as well as army officers from Vancouver barracks, state officials and prominent folk from both in and out of Salem.

The affair is very formal and will be marked by the sitting symbols of the army in dress uniform. The armory will be beautifully and formally decked in flags and flowers.

The receiving line will be headed by Maj. Gen. and Mrs. George A. White, and Chief Justice O. F. Coconer, State Treasurer E. B. Key and Mrs. Key, secretary of state Hal Hoss and Mrs. Moss, and Captain and Mrs. H. G. Malson.

Meeting Celebrates Oregon Pioneers

Hubbard. — Oregon pioneers were honored at the "Pioneer Day" meeting of Hubbard Woman's club Wednesday afternoon at the home of Mrs. L. M. Scholl.

Relics of pioneer days belonging to Mrs. Scholl were on display. There were the spinning wheel, the candle molds, the bread basket in which bread was molded and let rise before being placed in the Dutch ovens to bake and two beautiful colonial quilts.

Dr. J. B. Horner's radio talk on "Succajawa" was listened to and highly appreciated. This day and have been handed down to the churches of today.

Among these customs is that of the "epiphany dinner" which St. Paul's Episcopal church of Salem celebrates each year and which many other churches of the country celebrate.

This year the Episcopal folk will celebrate epiphany Wednesday, February 12 at 6:30 o'clock in the parish hall. Mrs. Hal Patton is chairman and among those who are working with her are Mrs. Russell Catlin and Miss Irene de Lisle.

One of the features of the dinner is the epiphany cake which contains rings, thimbles and such like things. The pastor of the church cuts the cake and the one to whom the piece goes which contains the ring is chairman of the epiphany dinner committee for the next year. Those who will help the chairman are the ones getting other articles hidden in the cake.

At this meeting also all the church reports for the year are read following the dinner hours, and much church business is transacted at this time.

Miss Dorothy Scholl assisted the hostesses, Mrs. Scholl and Mrs. Kathryn Will, at the refreshment hour.

Dr. Ethel Riley and Miss Mary Gandy are hostesses for the next meeting, "Champoeg Day," which will be held at the Hubbard Mission, Springfield, Wednesday afternoon, February 19.

The Beauty By HELETT FOLLETT BOX

The French have a knack of selecting pretty names for cosmetics. A white powder is called neige, which is the French word for snow. Rose powder is the shade into complexion glow on a healthy ivory skin. Rose Ibia is a deep pink, the peculiar color that strange Egyptian bird that eats snakes for breakfast. Coo de Roche is the deep coral tint of the rooster's comb. Our popular sun-tan color is called mauresque in the city of enchantment on the Seine.

Nobody can make Mrs. Chin-Chin believe that beauty troubles are all in your eye. Her problem is how to roll a double chin into single blessedness, and that can be done. Let her anoint with a heavy tissue builder, pick up the flesh between thumb and first finger and roll firmly. In due course of time the fat cells will be crushed. During treatment there should be two facial ironings with each day. That helps the blood streams to carry away the wreckage of devastated tissue structure.

The average well-dressed woman spends a small fortune each year for hosiery. You'd be surprised! To preserve the life of a pair of stockings they should be worn but once and then laundered. When washing them turn them inside out and don't rub the bar of soap directly on them; make a strong suds and squeeze the hosiery gently. Wring them out in a towel. Do not dry in the sun; it changes the color.

To the woman of advancing age the severe chapeau is a beauty handicap. The hat should be of soft fabric and of some flattering, mental coloring. Few elderly women should wear a black, and brown is usually depressing. Navy blue is good, also beige, some of the richer plum tones and light grey. A bit of rose or old blue on the bodice will glorify silver tresses.

The sweat glands of the body act as a cooling system. They deposit salty substances on the skin surface. Unless these deposits are removed by bathing, they set up a cutaneous irritation and interfere with elimination.

Golden Wedding Is Memorable Event

The golden wedding of Mr. and Mrs. A. R. Ferguson was happily remembered by the many friends of the bride and groom of 50 years. A luncheon was given in compliment to them at one o'clock in the Fraternal temple by the P. L. E. and F. club Wednesday. Here they were remembered in toasts and gifts in token of the esteem of the club membership.

Wednesday night members of the Leslie Memorial church and friends gathered in the church social rooms for a reception in honor to Mr. and Mrs. Ferguson.

Here the vows of 50 years ago were again exchanged. Mrs. S. Darlow Johnson played the wedding march from Mendelssohn as the bride and groom entered the room. Before an altar banked with flowers Rev. S. Darlow Johnson read again the service that had united Mr. and Mrs. Ferguson.

Following this there was a delightful program of music and reading given by Claude Williams, Mrs. Laws, Mrs. Johnson, Mrs. W. J. Linfoot, Ormal Trick, Mrs. W. R. Bush, Mrs. Wayne Greenwood, Mrs. Wheelodon and Mrs. T. H. Temple.

The close of the program Mr. and Mrs. Ferguson and Mrs. Carrie Knight of Eugene stood in line and received the congratulations of the many friends.

Mrs. Charles Adams Is Club Hostess

Mrs. Charles Adams entertained the Book and Thimble club at its regular semi-monthly meeting Thursday, February 6. Roll call was responded to with a "household help" from each member. The club has recently taken up the study of Oregon history. In line with this subject, Mrs. Charles Schwartz read an interesting original paper descriptive of a trip to Belknap springs and Mrs. Charles Adams read an article on the scenic beauty of the Columbia river highway. A part of the afternoon was spent in sewing for the quilt the society is making.

Refreshments and decorations were suggestive of the Valentine season. Mrs. Robert Clark and Miss Florence St. Pierre assisted the hostess in serving.

Members present were Mrs. Hettie Simpkins, Mrs. Ray Lacey, Mrs. Ross Damrell, Mrs. Mary Beaver, Mrs. Minnie Schwartz, Mrs. Ray Ferguson, and Mrs. Charles Adams. Guests for the afternoon were Mrs. A. A. Williams and Mrs. L. Applewhite.

The next meeting will be held at the home of Mrs. Charles Schwartz, February 20.
