

Terry Kileen Knocked Out By Jimmy Dolan In 7th Round

CURT COMMENTS

Another boost for the guessing average.

Yes, we're going to mention Ambrose and Kuhn. They put up a "hot" better fight than they did the last time; in fact they were thoroughly imbued with the idea of mixing it. The only trouble was that both seemed to be thinking too much about the way teacher told them to dance.

Stone and Summers did the Alphonse and Gaston a little overtime, shaking hands at the opening of each round; but that didn't keep them from fighting. Not a bit. What a wallop this unknown stranger from Independence has got! All he needs is a little knowledge and experience—well, maybe he doesn't need even that.

We don't know about Bob Kelly. We still suspect he doesn't really like to take 'em, but he did stand up and fight. He just gave us the impression that he didn't enjoy it.

What a wow the big fellows, Steele and Wetzel, did put on! Various theories were advanced about Wetzel's queer actions, but we think it was just embarrassment. The first round was slow, the second rotten, the third terrible, the fourth purring, but when we ran out of disagreeable adjectives, they did improve a little.

Steele pulled a new one. He swung clear around Wetzel's neck and hit him full in the face. That long boy sure has great possibilities, once he develops them.

"Hop to it, big boy! So thundered the fans. We couldn't quite tell which they meant; the long one or the wide one.

We hereby rise to remark that Terry Kileen is still the gamest guy we ever saw in the ring. It was tough, to see him going ahead when he was all through; but we know Terry. If he has to lose, that's the way he wants to lose.

Dolan is the goods. They announced that Frisco McGale would be his opponent next time, and that the Jackies, Woods and Kileen, will mix in the semi final. We don't know what could be sweeter.

Wonder what kind of drink Harry Plant gave Jimmy Jones before the big champs signed on the dotted line?

New World Marks Are Turned in

PHILADELPHIA, Pa., Feb. 12.—(AP)—Two new world records were hung up tonight in the annual indoor track and field meet of the Meadowbrook club at the Arena. Chest Bowman, of the Newark A. C., established a new indoor mark of 5 seconds flat in the 45-yard invitatio sprint and Miss Stella Walsh, of Cleveland, lowered the old record in the 220 yard sprint for girls to 26 4-5 seconds.

Jack Elder, of Notre Dame, forced Bowman to the limit every inch of the distance and the finish was so close that the judges were unable to decide on the winner for several minutes. The former Syracuse flash and the Hoosier meteor ran neck and neck down the last 20 yards. Bowman's time of five seconds created a new record for the distance in a final, but Percy Williams, of Canada, was said to have run a faster heat than this last year.

The fleet-footed Cleveland girl ran away from the field to beat the record in the 220 yard sprint. She shot out ahead and sped to an easy victory over Miss Dallas Creamer, of Canada; Miss Olive Kruger, Tennessee; and Miss Mary Gilliland Milrose, who finished second, third and fourth, respectively.

Ray Conger, famous miler of the Illinois A. C., raced to victory in the John W. Overton memorial mile in a great race against Gene Venzke, New York, and Joe Hickey, New York university. Conger was content to let the others set the pace until the final lap when he shot into the lead and remained there until the finish.

The two mile run was easy for Paul Rekers, Penn State.

MORONI OLSON PLAY IN MAY CANCELLED

Cancellation of the third attraction of the Moroni Olson players' series here, was announced Wednesday by the Lions club. This decision was reached because the date contracted for conflicts with the May day exercises at Willamette university, and also because of its lateness in the season.

HOLDERS of season tickets are advised to mail them to the secretary of the Lions club, who will refund one-third of the purchase price. However, if any holder of a ticket wishes to decline the refund, the money will go toward the purchase of the Boy Scout camp site on the Santiam.

BLOW IN SIXTH DECIDES BOUT

Independence Lad Starts in Strong Fashion Rushing Clever Opponent

A short fight that traveled no more than eight inches and squally on Terry Kileen's jaw, spelled victory for Jimmy Dolan in Wednesday night's torrid main event at the armory.

That decisive blow occurred just as the bell sounded to end the sixth round. Terry lit on his face after the bell; but he had to be carried to his corner, and was in distress when the seventh opened. He went down twice from Dolan's renewed attack, and the second time was desperately trying to drag himself with his feet at the count of ten.

The Independence boy gave good account for himself for three rounds, shifting cleverly and scoring some points by rushing while Dolan kept even by jabbing his left in the face. These blows were full of action.

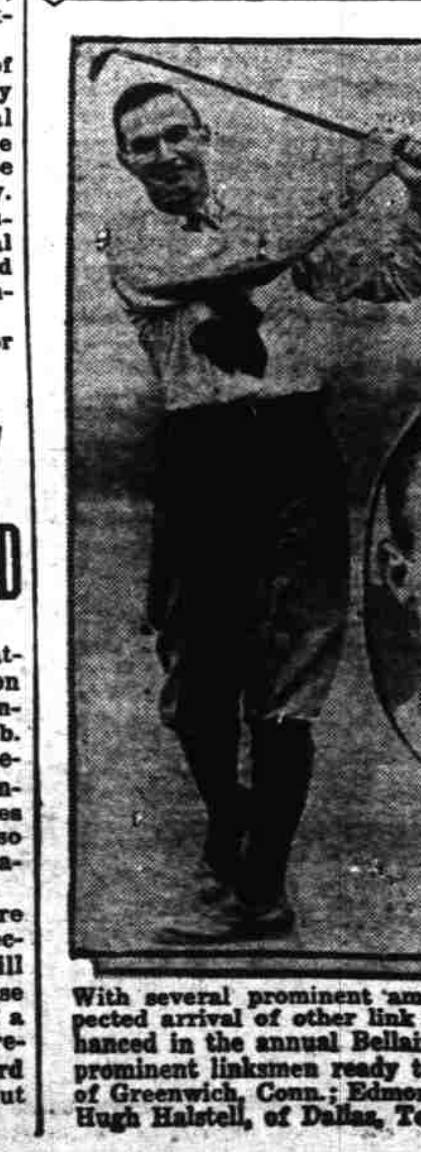

Dolan Begins to Land PUNCHES in Fourth
Then in the fourth, Terry began walking into Dolan's punches and the Mexican battered him unmercifully about the head. Even so, in the fifth Terry just missed a knockout by a fraction of an inch once when he rushed Dolan against the ropes.

The semi-final was a farce from the opening gong, when Cliff Wetzel sidled along the ropes instead of advancing to meet Bob Steele in the center of the ring. They swung viciously, but were always too close together and wrapping their arms around each other's necks. It was terribly slow, but the fans showed in uproarious fashion that they enjoyed the fight.

WEST SALEM FIVE BEATS JASON LEE
The West Salem church team easily took the Jason Lee players into camp Wednesday night to the tune of 24-13 in a game played at the Married Men's Amusement club hall on Center street. The West Salem boys took a lead from the start and there was never much doubt as to the outcome of the game, the visitors carrying the lead throughout the entire game.

O'GRADY WINS FIGHT
PORTLAND, Ore., Feb. 12.—(AP)—Gene O'Grady, Ashland, Ore., won a six round decision over George Rickard, Winempen, in one of a series of five six round bouts on tonight's fight card here. Both fighters weighed 177 pounds.

On the Sidelines

By BRIAN BELL

Bill Potts, veteran professional golfer of the Briar Hills club, Briarcliff Manor, N. Y., has to look back more than a quarter of a century for his greatest golf thrill but then he finds not one but seven.

Bill has been teaching golf in the United States for 24 years, but the burr of his native Scotland clings to his tongue and his alert eyes light up with the enthusiasm of a youngster when he talks of golf, then and now.

"My greatest thrill?" he said. "There were seven of them, way back when I was an amateur and was playing in Edinburgh. We were playing for the President's cup in the club to which I belonged and I drew the defending champion, who had won handily the year before.

"We started out with quite a gallery, assembled to see the champion put the young upstart in his place and for nine holes everything went according to the program. I was four down at the turn and the gallery went back to see some other match." The opinion was unanimous that I was all through.

"And then the thrills, I shot seven straight threes and the match was over. The gallery was quite put out when the score with all those threes was posted. Serving them right, I thought for taking too much for granted.

"I shot a 69 at Briar Hills one day when the ball was rolling right and I could do no golf wrong and although no one has ever done so well, still and all, the seven threes more than 25 years ago stand out in my memory. I guess I will take seven 'greatest thrills' instead of one."

The genial Potts was made outside superintendent at Briar Hills as well as golf pro at the close of last season and for the first time in 11 years did not go to Ormond Beach, Fla., for the winter months.

"It has been an education," he said, "remaining in the East during the winter. I have seen snow this year for the first time since I started going to Florida before the cold weather set in. Snow is quite a sight when you have not seen any in a long time. Of course it will grow tiresome, I am finding out some things about the East that I never would have known if I had continued to remain away during the winter. I was shocked to find that water tries to stay on one of the greens. Of course I'll fix that. I wouldn't have known about it if I had been in Florida."

Bill in a reminiscent mood thinks of all the great golfers he has seen come and go.

"I begin to think I am growing old when I see Tommy Armour and Bobby Cruickshank play," he said. "I started them in their first tournament at Edinburgh when they were playing together on a schoolboy foursome.

"That was a long time ago."

ANDERSON AND JONES SIGNED

Des Gets Chance to Win Back Western Welter-weight Title Belt

Des Anderson gets his chance to win back the western welter-weight championship belt.

Harry Plant, local matchmaker went to Albany Wednesday night to confer with Henry Jones, who won the belt from Anderson a few weeks ago.

Just what terms were agreed upon wasn't learned, but Harry telephoned back, and it was announced from the ring at the armory that night just before the main event of the fight card, that the bout was arranged for next Wednesday night here.

Plant, according to the announcement, was bringing the prized belt back with him, to deposit it with the boxing and wrestling commission pending the outcome of the match.

The last previous report was that Jones was holding out for a \$1000 guarantee, after the manner of champions, Jones had held this belt, put up by the Illinois state commission, for 13 years, losing it about 18 months ago to Harry Kuehne of Newberg. Anderson won it from Kuehne here a couple of months ago, and then Jones came along and recaptured it.

New Bowling League Gets Under Way
The new high school bowling league was launched with a lot of noise and enthusiasm at a meeting last Wednesday afternoon.

The Club league race was tightened up in Wednesday night's play, in which Cooley's Clothiers won two games from Associated Oil, the Printers won two from Nelson and Hunt, and the Elks took three straight from the I. I. Stollker, filling in on the Cooley team, rolled a high series of 635 which didn't count.

DALLAS FIVE NEAR CLOSE OF SEASON

DALLAS, Feb. 12.—(Special)—The last game before the county tournament will be played here Friday between Dallas high and Independence high. Independence still has one postponed game to play but after Friday Dallas will be through until the tournament.

So far, Dallas has won eight out of nine games in the league and hopes to make it nine out of ten. Dallas defeated Independence 24 to 15 on Independence's floor and hopes to do even better on her own floor. This will probably not be the last time the teams meet this year as both will probably be entered in the tournament.

WINS FAME

Captain Oliver "Trader" Horns, of the University of Pennsylvania boxing team, whose athletic accomplishments have gained him a reputation from his home town of Yonkers to the colleges in the middle west, where he will meet some of the leading intercollegiate boxers in the coming season of boxing meets.

Dallas lost to Chemawa by a big score last Monday to break its winning streak. Up to Monday Dallas had won all of its last six games, including one with Chemawa. The Indians were too good for Dallas when they were playing on the own floor. Prettyman, one of the stars of the last game, was out of the lineup in the first encounter.

Kansas has finished about half of its projected 8,690-mile system of state highways.

CHIEFS DEFEAT WOODBURN FIVE

Bulldogs Snowed Under by 31-15 Count in One-Sided Game

CHEMAWA, Feb. 12.—(Special)—Chemawa completely swamped the Woodburn high casaba tossers 31-15 in a one-sided game here tonight. The redskins took an early lead and the high school boys never once became near tying the score.

The addition of Prettyman and Miller who have been ineligible most of the season account for some of the change in the defense of the local team. The Woodburn boys failed to fathom the airtight defense but in the last quarter rallied by a series of long shots but still were not able to change the outcome of the contest.

PRECEDING the main game the B teams of the schools played with the Indians winning 21-15. Line up was: Woodburn (15) Chemawa (8) Nebl (6) F (8) Prettyman Chapelle (4) F (3) Simmons Baldwin (4) C (14) Marsden A. Schooler (4) G (5) Wirette L. Schooler (1) G (1) Miller Prethuis (2) S (2) Smith Gribble (2) S (1) Smith Referee: Flescher.

PARRISH QUINTET DEFEATS GERVAIS
For the second time this season the Parrish junior high and Gervais high school basketball teams staged a battle in which one basket meant victory or defeat, Tuesday night on the Parrish floor, but this time it was Parrish that won, 26 to 25. Gervais had taken the previous game on its own floor.

The local hoopers were trailing ten points behind at half time, but they fought desperately and effectively in the last few periods to tie the score, 23 all, at the end of the regular playing time. Whittington of Parrish scored a free throw and Slater a field goal for the winning points in the overtime period.

Summary: Parrish (3) F (12) Manning Kelly (10) F (12) Schwab Brownell (10) C (12) McKay Ellis (2) G (4) Seely Slater (11) G (6) DeJardin Mosher (1) S (1) DeJardin S (1) Schell Referee: Ellis.

DEAF MUTES HAVE STRONG HOOP TEAM

The Oregon State school for the Deaf basketball team, coached this year by James Nutter, is having a successful season.

A game was won Tuesday from the Canby high quintet 17-15 and previously one was lost by a narrow margin to the Lebanon high hoopers.

Saturday the school for the deaf quintet will play the Portland Silents here, and a trip to Berkeley, to play the California school for the deaf in a Pacific coast championship affair for teams of this class, is planned soon.

The local school's regular lineup includes Turnbull and Hewitt, forwards; McQuary, center; Rankin and Crawford, guards.

MILL CITY, Feb. 12.—(Special)—The Mill City high school basketball team defeated the Oregon State school for the deaf quintet 30 to 7 here Saturday night.
