"SHALL SHAPE AND SHADOW OVERFLOW"  
*(John Greenleaf Whittier, 1807-1892)*

"Coming events cast their shadows before"

**AVOID THAT FUTURE SHADOW\***  
By refraining from over-indulgence

Men who would keep that trim, proper figure, women who prize the modern figure with its subtle, seductive curves—eat healthfully but not immoderately. Banish excessiveness—eliminate abuses. Be moderate—be moderate in all things, even in smoking. When tempted to excess, when your eyes are bigger than your stomach, reach for a Lucky instead. Coming events cast their shadows before. Avoid that future shadow by avoiding over-indulgence if you would maintain that lithe, youthful figure.

Lucky Strike, the finest Cigarette a man ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Everyone knows that heat purifies and so "TOASTING" not only removes impurities but adds to the flavor and improves the taste.

**"It's toasted"**

Your Throat Protection—against irritation—against cough.

\*Be Moderate!... Don't jeopardize the modern form by drastic diets, harmful reducing girdles, fake reducing tablets or other quack "anti-fat" remedies condemned by the Medical profession! Millions of dollars each year are wasted on these ridiculous and dangerous nostrums. Be Sensible! Be Moderate! We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky" instead, you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.
