# Relief from Gas Stomach Pains Dizziness

The doctors tell us that 90 per cent of all sickness is due to stomach and bowel troubles. You can't be well if your digestion is bad; you are likely to get sick unless you relish food and digest it properly.

Tanlac has a wonderful record as a relief from digestive troubles, even those of years' standing.

Local people, many of whom you know, are highly endorsing Tanlac. For example, Mrs. Ellen White says: "For years I suffered from indigestion. I got no relief from anything until I took Tanlac. After my fourth bottle, I feel like a new person and have a fine appetite."

If you suffer from gas, pains in the stomach or bowels, dizziness, nausea, constipation, or torpid liver; if you have no appetite, can't sleep and are nervous and all run down, you need Tanlac. It is good, pure medicine, made of roots, herbs and barks. Get a bottle from your druggist today. Money back if it doesn't help you. Accept no substitute. Adv.
