You have a Doctor's Word for this Laxative

In 1875, an earnest young man began to practice medicine. As a family doctor, he treated many cases of constipation. He soon saw the harm in common purges and began to seek something better. Out of his experience was born a famous prescription now in wide use.

This prescription was written thousands of times. It proved an ideal laxative for old and young. Children like its pleasant taste. Older people like it because it doesn't gripe or cause discomfort. It is a mixture of fresh herbs and other pure ingredients; thoroughly effective for the most robust of men. Stimulates the normal muscular tissue of the bowels. So its action of the bowels. So its action will not become a habit. As people saw how marvel-
