## Mrs. W. Denton Attends Music Conference

MRS. WALTER DENTON spent Wednesday in Portland at the meeting of the auxiliary board meeting of the Oregon federation of music clubs which met to discuss plans for national "music week" which will be May 4 to May 10 and also to mention the plans for biennial convention to be held in San Francisco June 22 to 30, 1931.

The latter convention is the national federation of music clubs and will bring people from all over the United States. The fact that it will be so easily accessible to western folk make it of particular interest all through the west and is causing unusual plans for attendance among western members.

The Wednesday meeting was held at the "Sign of the Rose" room. Many plans were made for a much more elaborate music week this year than ever before. The towns of the state, both small and large are making inquiry as to what is to be done to make the week a success.

The plans of the Salem group are not yet ready for publication. It is planned to make the program for the week more elaborate and vital than any year heretofore. There is a strong committee working and under the direction of the state chairman, Mrs. Walter Denton, much is expected to be accomplished.

## McDowell Club Program April 1

Because of the change in the spring vacation at Willamette university the program for the Salem McDowell club which will be given by the Beethoven club is to be rendered April 1.

This program is the junior recital of the McDowell club. One such recital is given each year, when a group of juniors in music are given over the program.

Miss Franke Melton, president of the McDowell club, organized the Beethoven club when she came to Willamette university in 1924. Since that time the organization has grown extensively and has done some very creditable work.

The April program will include piano, voice, and ensemble and trio numbers.

## Right Idea!

This eight year old athlete is the son of Rev. and Mrs. C. F. Jenkins, Lyndon, Kansas. Mrs. Jenkins says: "Newell's wonderful condition shows my idea is right."

"Whenever he's the least cross or upset, or has a cold, I give him a little California Fig Syrup. It always brightens him up; regulates his stomach and bowels; gives him a hearty appetite. I have used it with both my boys and it never failed to help them promptly."

All children love the rich, fruity flavor of California Fig Syrup. A pure vegetable product, it doesn't gripe or sicken. It always acts gently but thoroughly to cleanse the system of biliousness, headache, constipation, children's weak bowels. Try it with your child. See how bad breath, coated tongue or feverishness disappear! The name California marks the genuine, famous for 50 years. So look for it when buying.—Adv.
